Carolyn Williamson	P	P	P	P	A	P	P	P	P	P	P	P	P	P

Biography & Community Involvement:

I was born and raised in Kennedale area; attended Kennedale and Mansfield ISD schools. I was married to Robert H. Chambers of Mansfield in June, 1957; have 4 beautiful grown children; divorced in 1966. Employed by American Airlines, Inc. For 29 plus years before retiring from fulltime employment in 1995. I have since then worked part-time temporary positions at two printing companies and for Tarrant County Elections Center since before becoming my mother's (Vera Coker) full time caretaker.

I have lived in or around Kennedale most of my adult life. Our home is just off Kennedale Sublett Rd. in the eastern most portion of Kennedale on what we call "Coker Hill". I am married to Ken W. Williamson for 26 years. We have attended Bethesda Community Church in Ft. Worth where I have sung in the choir and have performed several other duties there as well for 38 years. We own a small business in Kennedale, an insurance agency, Associated Insurance Services.

I have been my mother's (Vera Coker) fulltime caretaker for the past 2½ years until her death in April of this year. I continue to be the trustee of her estate and executor of her affairs until they be totally dissolved. With this being our lifelong home and hers, we are interested in seeing this be established as a legacy to her name and a property for the City of Kennedale to be proud of. With the knowledge I have acquired on this committee, I feel that will become a reality.

I am currently a member of the Kennedale Chamber of Commerce; a charter member of the Kennedale Historical Association; a former board member of the Chamber and member of both the Kennedale and Mansfield ISD Alumni Associations; a member of the planning

committees for the Kennedale Karshow, booths for Art in the Park and Bark in the Park festivities. I have been an active board member of the Planning and Zoning Board. I am very familiar with the Comprehensive Land Plan for Kennedale as well as the Strategic Plan and Imagine Kennedale ideas for our city and strive to volunteer in the community activities to foster and encourage these ideas.

Additional comments that you feel may assist City Council in a selection:

As the trustee for my mother's estate here in Kennedale and executor of her affairs, I look forward to continue working with the Planning and Zoning Board and City Council of our city to accomplish a well thought out plan that will enhance the eastern entrance to Kennedale via Sublett Road and one that both our family and our city will be proud to say is ours.

Stephen Brim	P	P	P	P	A	P	P	A	P	P	P	P	P	P

Biography & Community Involvement:

I am 30 years old and originally from Dallas, Texas. Currently I'm an active young professional in the land development and engineering community. Post college I spent 5 years working for a civil engineering consulting firm and gained a wide knowledge base in public and private development and construction type projects. Through many different experiences and clients, I learned the importance of clear communication, workmanship and professional ethics. I made a small career move last year by leaving the civil engineering design world and entering the development community as a project manager for DR Horton. In my spare time I enjoy playing hockey, cycling and helping my family on our small farm in Central Texas.

Additional comments that you feel may assist City Council in a selection:

I am a licensed professional engineer. I am excited to be up for consideration to continue serving on Planning and Zoning and I very much look forward to the new zoning regulations and changes the City Council and Administrative Staff are working so diligently towards.
