Agenda Item No: REGULAR ITEMS - A.

I. Subject:

Discuss and consider the Demonstration Garden

II. Originated by:

Larry Hoover, Streets and Parks Supervisor

III. Summary:

a. Using some of the budget money to purchase a couple of water hoses. Currently we bring our own hoses so we believe it would be easier if KKB had some of their own.

b. We have had an offer from a volunteer who comes to help us work in the garden on Wednesdays (Kenneth Michaels) to sketch out a design for an arbor. He would like the opportunity to present to the board a design and his estimated cost to construct it. He would present a couple of estimates based on types of wood. We have discussed the possibility of adding this to the garden a few times but have never actually pursued it further. Need to have input from all Board members on this.

c. Would like to consider resealing the bench that is currently in the garden. Very weathered and needs to be resealed.

IV. Recommendation:

None
