Summary:

Budget/Amendment

No changes.

Year-To-Date

Please note that last year's FY10-11 Estimate figure is unaudited, although the actual will be very close to what is provided. Final figures will be available at the end of April 2012.

- Investment Income: None anticipated for this fiscal year in comparison to last year. Last year, cash was depleted quite quickly due to expenses made for Sonora Park.
- Miscellaneous Income: None anticipated for this fiscal year in comparison to last year. Last year, we received a grant reimbursement from TPWD totaling \$400K.
- Transfers: None anticipated for this fiscal year in comparison to last year. Last year, we had to transfer approximately \$42K into the Park Fund to cover a negative overall balance. This negative balance resulted from unrealized gas well activity revenues that did not come in as anticipated to cover the shortfall.
- Special Services: None anticipated for this fiscal year in comparison to last year. Last year represented expenses tied to normal operations.
- Engineering Services: None anticipated for this fiscal year in comparison to last year. Last year represented expenses tied to normal operations.
- Land: No significant change from last fiscal year. The \$75 for this year reflects a delinquent tax payment. The City is exempt from taxes; however, this was related to newly purchased right-of-way property, in which the City had to settle out prior taxes owed.
- Construction: None anticipated for this fiscal year in comparison to last year. Last year represented the last of the expenses tied to the parking lot.
- Sonora Park Grant Project: None anticipated for this fiscal year in comparison to last year. Last year represented the last of the expenses tied to the TPWD grant. It was approximately \$758K through Nov 2010 but ended at an estimated \$533. This was due to expense recoding.
- Brick Pavers: No significant change from last fiscal year. The \$495 for this year reflects engraving services for several plaques placed in the TownCenter Park during the 9/11

Memorial Dedication. The City Manager chose to recognize approximately 10 city employees, who had either served their country or are currently serving their country in the US Armed Services/military.

Estimate

- Based on no anticipated revenue and expenditures, we anticipate no remaining fund balance for FY11-12. For FY10-11 year ending, we anticipate a \$68K annual deficit; however, the fund balance at year end is anticipated to be \$0 due to the inflow of the \$42K cash transfer.

Agenda Item No: REGULAR ITEMS - B.

I. Subject:

Update on May 19th Event.

II. Originated by:

Larry Hoover, Streets and Parks Supervisor

III. Summary:

To reiterate from the last meeting, a copy of the information that was sent to you on March 8, 2012.

Park Board Members,

Thank you for your commitment to participate in this year's Bark in the Park/Kidfish/Kids to Parks Day! As stewards of Kennedale's Parks system, this is a great way to market our fantastic parks to residents and encourage visitation and outdoor activities. This event will also give the board a chance to meet with residents and gather opinions and ideas for future park planning.

To better answer last night's question regarding Art in the Park comparison, The Chair of the Arts and Cultural Board also serves as the Chair & Event Coordinator of the Art in the Park Committee (Felipe Gutierrez).

To follow up with yesterday's conversation, the Bark in the Park and Kidfish events will run themselves but could likely use extra hands.

Bark in the Park is coordinated by Dianna Garcia, our Animal Services officer. She can be reached at 817-985-2163 or dgarcia@cityofkennedale.com

- o The Humane Society usually attends as well, suggestions for other animal services related groups/businesses would be welcome

Kidfish is coordinated by Larry Hoover. 817-985-2170 or lhoover@cityofkennedale.com

The splash pad will be open for use

Other possibilities include:

Coordination with Rachel Roberts, City Planner, on bird habitat education, etc. She may be able to direct you to local resources for free instructors/program providers, as she manages the city's Urban Bird Treaty program. 817-985-2135 or rroberts@cityofkennedale.com

Kennedale Parks & Recreation booth to display information on our facilities. Some residents are unaware of our park locations and amenities, it would be great to have maps and acreage information available, along with master plans and ideas from the new comprehensive land use plan. Displaying pavilion rental and ballfield rental policies and availability may also be of use to residents.

Introduction to Disc Golf. Eric Teddy has worked with us in the past. 817-201-2434 or eric.teddy@yahoo.com

Boy Scout/Girl Scout program

Bounce houses through Police Captain Darrell Hull. 817-985-2162 or dhull@cityofkennedale.com

Any other kid-friendly ideas (nature-based arts and crafts, speakers, hike leaders, etc)

I would love to see this event grow every year and attract new 'park-goers.' Sonora Park is one of Kennedale's greatest assets and May 19th is the day to make it extra welcoming.

Update: The Youth Advisory Council is not available for this event, as graduation is the same day.
