Celeste O. Brown, Board Secretary

Date: April 18, 2012

Agenda Item No: REGULAR ITEMS - A.

I. Subject:

Review and discuss the Kennedale Youth Association practice and game schedule as submitted as well as the scheduling of the Ballfields for groups outside of KYA.

II. Originated by:

Celeste Brown, Administrative Assistant

III. Summary:

This item was tabled at the April 4, 2012 regular meeting due to Monty Eubanks with Showtime Select Softball voicing his concerns about not being able to use the ballfields for practice due to KYA using the fields everyday. Mr. Eubanks is a citizen of Kennedale and feels it is unfair that his tax dollars payed for the ballfields and his team is never able to use them due to KYA using all fields. Attached are copies of the KYA games and practice schedule for the month of April as well as a copy of the days and times Mr. Eubanks would like to practice. We will discuss possible alternatives as these dates and times conflict with KYA.

IV. Recommendation:

None

During football season we have 3 football teams and 3 cheer teams.
There is a possibility that we are going to have flag football this year so
that being said it would go to 4 and 4.

Celest,

What we would like to have is Wednesday or Thursdays night from 6 to 8pm. Then a Sunday evening from 4 to 6 pm for practices. On Sundays we can practice a little later if need be. Sometimes we have morning games so thats why I schedule late sunday practice.

I tried to look at other days we just aren't able to do any other days. Our team has a conditioning coach we waited 2 months on a waiting list to get a spot on Monday nights. Tuesday and Fridays are used for the nights players go to personal coaches for pitching, catching, and batting practices. We are ok for the month of April. Due to current field rental, tournaments and scrimmages we are booked now. Our issue is starting in May.

I would also like to request access to bases for the fields, access to restrooms and lights come fall. Larry said in the past all he was waiting on for equipment access is a inventory of the equipment. Then of course restrooms access was waiting on them being completed.

Feel free to call me if you have any questions.

Thanks,
Monte
