Great for kids!

December 6, 2011

LauraJ

I am doing gift bags for my great nephews and nieces. They are around 4-7 years old age range. I wanted something we could all work on together. There is something in there for all age ranges. Very pleased with them. Also, wanted to mention I had a problem with one of the items in my package and Oriental Trading took care of it right away.

Fun for kids

January 18, 2012

Grammygram

from Milwaukee, WI Interests: Crafts & Hobbies

I bought these sticker scenes for my Grandson's K5 class. They each made a Christmas card for their family. They had a lot of fun picking out colored paper to make the cards then they were creative in making the scenes for the front of the card. The stickers were good quality, good size for small hands and looked pretty. The sticker scenes were an excellent value too.

Pros: quality, Age appropriateness, easy to use

A Great Item!

December 18, 2011

buggal1989

🏆 Top 10 contributor

from Pineville, La

I love these. We are including them in our treat bags for the children in our Wednesday night program. I really like the message they convey. I really

They are small and may not be as easy for small children to use.

The only way OT could improve this item is to offer a larger set for younger children and to put them in individual bags.

Pros: quality

Cons: too small fr small children, not individually packaged

simple and affordable

December 5, 2011

I've used this product many times in different settings. Daycare, Preschool, church, and now home. Kids have decorated cards, gift bags, boxes, or just sheets of paper. This year they are part of an assembly of gifts my 2 yr old is giving to his friends. These stickers sheets are great to have around for those times when you are called on to come up with a craft on the spot. the only problem I have with it is there are no shepherds and many times kids want to use Joseph as a shepherd leaving Mary and Jesus alone in the scene.

- Builds endurance
- Strengthens cardio fitness

The rendering on the right represents a "healthy family" concept that was realized in late 2011 when an Auburn, WA grassroots mothers group in Auburn, WA saw a need for adult public fitness opportunities and found a solution. Parents no longer have to sit on a park bench while their children have all the fun. By placing our X-ERCISE equipment around a child's playground, a community enables entire families to be healthy and active, together.

The Flag retirement will be on Monday, 12 November 2012 at 7PM and located in Sonora Park.

Flag retirements are a service we provide to our community to help properly and respectfully retire flags that are no longer serviceable or damaged. The Troop will retire each Flag with the dignity they deserve and according to US Flag Code. If someone has a Flag that needs to be retired, the Flag can be dropped off at the Scout Hut located at 210 West Broadway or arrangements can be made for pick up or drop off by contacting the Troop via email at troop35.kennedale@gmail.com.
