Financial Reports for the City and/or the EDC

**ORIGINATED BY:** Anne LaMere

**SUMMARY:** The City is financially healthy

**SUBJECT:** 1) Revenue & Expense; 2) Cash Balance by Fund & Diamond Jubilee Summary; 3) EDC Financial; and 4) Debt Overview

**Revenue & Expense Report**

Every fund is showing revenue greater than expenses except funds 34 LEOSE (last year funds in fund balance being spent this year), Fund 41 Cares Act (deferred revenue on balance sheet will be put into current year revenue) and Fund 45 Roadway Impact (revenues are lower than expense).

**Cash Balances by Fund Report & Diamond Jubilee**

Variances greater than \$100k are analyzed on the Cash Balances Report. The Diamond revenue of \$16,885.00 is less than expenses of \$27,439.38 by \$10,554.38. Council had authorized \$10k for the Jubilee.

**EDC Financial**

This report was presented to the EDC Board. It is provided for informational purposes.

**Debt Overview**

Several Council members have requested a Debt Overview showing the debt issues and amount of debt payments per year. This report is provided for information purposes.

**Conclusion**

The City is financially healthy. There is nothing in the financials that causes me concern, or that I believe needs to be addressed by Council at this point in time.

Increase in Fire Truck Repair Cost from \$36,029.19 (approved by Council in May) to \$39,696.67

**ORIGINATED BY:** James Brown, Fire Chief

**SUMMARY**

During the May council meeting, council approved funding in the amount of \$36,029.19 for repairs to one of our fire engines. This amount was based from cost estimates from our vendor Siddons Martin. Once they tore into the vehicle they discovered several other items that needed repair. I am back asking council to increase this funding by up to an additional \$5,000.00.

Staff is available for any question's council may have.

**SUBJECT:** ONCOR Rate Case

**ORIGINATED BY:** Darrell Hull

**ACTION MUST BE TAKEN TO SUSPEND THE EFFECTIVE DATE ON OR BEFORE AUGUST 1, 2022\*\*\***

### **PURPOSE**

Oncor Electric Delivery Company ("Oncor" or "the Company") filed an application on or about May 13, 2022 with cities retaining original jurisdiction seeking to increase system-wide transmission and distribution rates by about \$251 million or approximately 4.5% over present revenues. The Company asks the City to approve an 11.2% increase in residential rates and a 1.6% increase in street lighting rates. If approved, a residential customer using 1,300 kWh per month would see a bill increase of about \$6.02 per month.

The resolution suspends the August 1, 2022 effective date of the Company's rate increase for the maximum period permitted by law to allow the City, working in conjunction with the Steering Committee of Cities Served by Oncor, to evaluate the filing, determine whether the filing complies with law, and if lawful, to determine what further strategy, including settlement, to pursue.

The law provides that a rate request made by an electric utility cannot become effective until at least 35 days following the filing of the application to change rates. The law permits the City to suspend the rate change for 90 days after the date the rate change would otherwise be effective. **If the City fails to take some action regarding the filing before the effective date, Oncor's rate request is deemed administratively approved.**

### **DISCUSSION**

The City of Kennedale is a member of a 169-city coalition known as the Steering Committee of Cities Served by Oncor ("Steering Committee"). The Steering Committee has been in existence since the late 1980s. It took on a formal structure in the early 1990s when cities served by the former TXU gave up their statutory right to rate case expense reimbursement in exchange for higher franchise fee payments. Empowered by city resolutions and funded by *per capita* assessments, the Steering Committee has been the primary public interest advocate before

the Public Utility Commission, the Courts, and the Legislature on electric utility regulation matters for the last 30 years.

Although Oncor has increased rates many times over the past few years, this is the first comprehensive base rate case for the Company since March 2017.

**Explanation of "Be It Resolved" Paragraphs:**

Section 1. The City is authorized to suspend the rate change for 90 days after the date that the rate change would otherwise be effective for any legitimate purpose. Time to study and investigate the application is always a legitimate purpose. Please note that the resolution refers to the suspension period as "the maximum period allowed by law" rather than ending by a specific date. This is because the Company controls the effective date and can extend the deadline for final city action to increase the time that the City retains jurisdiction if necessary to reach settlement on the case. If the suspension period is not otherwise extended by the Company, the City must take final action on Oncor's request to raise rates by August 1, 2022.

Section 2. This provision authorizes the Steering Committee, consistent with the City's resolution approving membership in the Steering Committee, to act on behalf of the City at the local level in settlement discussions, in preparation of a rate ordinance, on appeal of the rate ordinance to the PUC, and on appeal to the Courts. Negotiating clout and efficiency are enhanced by the City cooperating with the Steering Committee in a common review and common purpose. Additionally, rate case expenses are minimized when the Steering Committee hires one set of attorneys and experts who work under the guidance and control of the Executive Committee of the Steering Committee.

Section 3. The Company will reimburse the Steering Committee for its reasonable rate case expenses. Legal counsel and consultants approved by the Executive Committee of the Steering Committee will submit monthly invoices that will be forwarded to Oncor for reimbursement. No individual city incurs liability for payment of rate case expenses by adopting a suspension resolution.

Section 4. This section merely recites that the resolution was passed at a meeting that was open to the public and that the consideration of the Resolution was properly noticed.

Section 5. This section provides that both Oncor and Steering Committee counsel will be notified of the City's action by sending a copy of the approved and signed resolution to certain designated individuals.

City Investment Report & Consideration of Investment Alternatives

**ORIGINATED BY:** Anne LaMere

**SUMMARY:** Currently the City's \$21.8M in investments have been earning .6% interest per year in TexPool and TexStar. With the Federal Reserve Rate increase, TexPool and TexStar are estimating 1% interest per year or \$218,000. Staff is recommending a strategy with an expected interest yield of \$391,800 –

- 1) using Frost Bank as a brokerage to purchase \$8M in US Treasuries (\$4M 6 month and \$4M 1 year) earning about 3% or yielding \$240,000
- 2) closing the TexStar account
- 3) opening a TexPool Prime account with initial \$6.9M investment earning 1.2% or \$82,000
- 4) leaving \$6.9M in the TexPool account earning 1% or \$69,000

**Additional Information**

There is a required annual review of the investment policy and adoption of resolution documenting the review.

**Recommendation in the Form of a Motion**

Move approval of

- 1) Resolution 608 amending the Investment Policy for minor changes;
- 2) Approval of Mayor Hollis and City Manager Hull as check signers;
- 3) Approval of City Manager Hull, Finance Director LaMere, and Accountant Sherman as investment signatories;
- 4) Open brokerage account with Frost Bank
- 5) Approval to close the TexStar account and move all funds to the newly opened Frost Bank account
- 6) Move an amount that would total \$8M (to include the TexStar balance) from TexPool to Frost Bank
- 7) Purchase \$8M in US Treasuries -- \$4M six month and \$4M 1 year
- 8) Open a TexPool Prime account
- 9) Move ½ of the remaining TexPool balance into the TexPool Prime account

## International Global Conditions

The world economy recovered from the 2007 financial crisis and entered a global slowdown. COVID is an ongoing global pandemic that began in January 2020 and has created many global supply shortages to include computer chips, IT equipment, vehicles, and raw materials. On February 24, 2022, Russia invaded Ukraine. Africa, India, and Cambodia have the fastest growing economies and represent good international investment opportunities

## US Economy and Economic Indicators

President Biden was sworn into office January 2021. COVID is still endangering lives with 1/3 of the US population still unvaccinated. Inflation is a concern. The supply chain has seen shortages to include food and baby formula. Employment is plagued by the Great Resignation, some say due to COVID, lack of a livable minimum wage, baby boomers reaching retirement age, or lack of respect from an older generation of bosses who do not understand the younger generation. Biden's call to provide infrastructure changes, known as the Build Back Better Plan, is facing resistance. Gasoline prices and prices of other goods and services purchased by households have soared. The average price of a gallon of gasoline has risen from \$1.50 in June 2020 to \$4.50 in June 2022. The US Stock market reached new high levels for the S&P 500 of just over 5,000 in December 2021, yet has been declining during 2022 and closed 3,802 on 13 July 2022. Jerome Powell has headed the Federal Reserve since February 2018, and during 2022 Quarter 2 oversaw the increase of the federal reserve rate to 1.75%, the biggest rate hike in nearly three decades.

### Gross Domestic Product (GDP)

GDP represents the total market value of all final goods and services produced by the US in a given calendar year. Strong economic growth is conducive to tighter monetary policy. GDP took a dip of (3.4%) in 2020 due to COVID. GDP is once again increasing as the supply chain system recovers.

GDP is a lagging indicator of US economic health, with a general rule that if GDP drops for more than 2 quarters, a recession is coming. GDP increases when the economy is strong. However, GDP can be misleading as seen recently with a 4% increase due to government spending -- \$2M trillion in COVID stimulus spending to prohibit recession fallout.

### Unemployment

The unemployment rate reached a high of 14.7% in April 2020, however it is now at 3.6% City of Kennedale Investment Report for the Period Ending 6/30/2022

which is a low rate compared to historical rates. The unemployment rate is a lagging indicator, with increasing rates indicating a poor economy and decreasing rates indicating a strong economy.

### Consumer Price Index (CPI)

The Consumer Price Index (CPI) is a measure of the average change in prices over time of goods and services purchased by households (inflation).

### Treasury Yield Curve

The US Treasury Yield Curve is a leading indicator of recession in instances where the longer-term Treasury rates (generally 10 year) fall below the shorter-term Treasury rates (generally 2 year). That is not the case currently as this is a standard curve where an investor taking more risk with a longer term will receive a higher rate of return for the investment.

### Summary of US Economy and Economic Indicators

The US economy is very healthy and strong. There is no reason to go to international investment instead of US investment. US Treasuries are strong with good rates. There is not enough difference between a 1 year and 10 year treasuries to go for the longer term. In other words, there is not enough of an interest payout to risk funds being tied up for long terms.

## Annual Review of Investment Policy

The Texas Public Funds Investment Act (PFIA) and the City Investment Policy (Page 4, Section II. C.) requires an annual review of the City's Investment Policy *and adoption of a resolution stating the review has been completed*. The last Investment Policy review occurred in June 2018. The following changes are recommended –

- 1) Page 2 – Change “All City funds shall be invested, to the maximum extent possible, ~~at the highest rates obtainable at the time of the investment~~.”
- 2) Page 2 – Effective cash management is recognized as essential to good fiscal management. ~~An aggressive~~ prudent cash management and investment policy will be pursued. (Note: This agrees with section Page 4 Section III Prudence and Page 5 Section IV Objectives.)
- 3) Removal of all references related to repurchase or reverse repurchase agreements being an acceptable investment, including language at VI. G, VII. D. 3) and 4) and adding item I. 5) as repurchase and/or reverse repurchase agreements as unauthorized investments. (Note: Given that these types of investments are high risk, and others are available, recommending that these not be allowed by the City.)

Additionally, due to changes in City personnel, changes have been made to the signatories on the accounts. Check signers on the Wells Fargo accounts for both accounts payable and payroll disbursements are Mayor Hollis Matthews and City Manager Darrell Hull.

Signatories for both TexPool and TexStar have been changed to City Manager Darrell Hull, Finance Director Anne LaMere, and Accountant Tanisha Sherman.

I would ask that the Resolution for any changes to the Investment Policy include a designation of these individuals as signatories on the accounts.

Note: These investments all have positive earnings. TexPool and TexStar operate as Money Market funds.

The balance in TexPool and TexStar are liquid investments and can be withdrawn at any time. The book balance is the market value.

Balance Changes during the Quarter: TexStar had no deposits or withdrawals other than interest.

TexPool receives daily deposits from property tax revenue and there was one withdrawal on \$500k on 4/28/2022 for operating needs. The \$500k withdrawal was deposited in the Wells Fargo Consolidated Operating Cash Account.

The two Wells Fargo accounts have had deposits and check withdrawals as these are the City's operating accounts.

### Collateral

The TexPool and TexStar funds are collateralized at the entire fund level by the entities that run them. The Wells Fargo balances are collateralized with \$500k FDIC coverage (2 accounts) and \$2,101,713.46 of pledged collateral. The City receives a detailed collateral report monthly.

## **Consideration of Investment Strategy**

### **Brokerages**

Currently the City does not have a brokerage account, which is needed to purchase investments. The following have been contacted regarding establishment of a brokerage account –

- 1) EECU – financial institution within Kennedale and member of the Chamber. Offer CD's to individuals and businesses. There is no provision in their Charter to offer CD's to municipalities or political divisions of the State of Texas. CD rates are currently 1.1% six month and 1.35% one year.
- 2) Frost Bank – located in Mansfield and a member of the Chamber. Very interested in working with the City. Local, knowledgeable. Offers a variety of instruments to include US Treasuries. Process would be to open a brokerage account and purchase the Treasuries. Recommended a ladder investment approach of 2 year, 1 year, and 6 month Treasuries given the unpredictability of current interest rates.
- 3) Chase Bank – located in Dallas and are a special group within Chase to offer services to municipalities. Very interested in working with the City. Very knowledgeable. Same process as Frost to open a brokerage account.
- 4) Time Value Investments (TVI) – Contacted me via a cold call as they do business with City of Forest Hill, City of Benbrook and Cooke-County and are looking for business. Located in Seattle Washington. Serve as investment service. If US Treasuries are purchased, account would be opened with TVI and another account with a brokerage. TVI cannot hold securities. Recommending the City purchase Treasuries, FDIC Insured CDs, and/or Government Agency Bonds.

Of the 4, I was most impressed with Frost and glad that they are local, with Chase following behind as a close second choice. I do not recommend TVI and EECU is unable to work with the City.

Given that the US economy is strong and the investment objectives of the City are (Investment Policy Page 5 Section IV) 1) Preservation and safety of principal, Liquidity, and Yield, US Treasuries are recommended. Per policy (VII A. 2.) bidding of broker or yield is not required for US Treasuries.

As of 11 July, Yields for pools are as follows –  
TexPool 1.0013% / TexPool Prime 1.2031%

And as of 13 July Yields for Treasuries are as follows --  
6 month 2.96 / 1 year 3.21 / 2 year 3.13

### **Operating Needs**

- 1) The City will draw down \$500k from TexPool to the Cash Consolidated Operating Account on 7/14/2022 to meet operating needs for general payroll and accounts payable.
- 2) There are outstanding purchase orders for \$1.36M –
  - a. Motorola Solutions \$49k Fire Communications Equipment
  - b. Metro Fire \$788k for Fire Truck
  - c. Southwest Ambulance \$254k Ambulance
  - d. Caldwell Country Ford and ancillary suppliers \$182k Police Vehicles
  - e. Holt Cat \$86k Skid Steer Tractor

## **Recommendation for Mayor and Council**

- 1) Adopt resolution for the annual review of the Investment Policy with following changes --

- a. Page 2 – remove words “at the highest rates obtainable at the time of the investment.”
  - b. Page 2 – Change the words “An aggressive to prudent
  - c. Change repurchase or reverse repurchase agreements being an acceptable investment to being an unacceptable investment.
- 2) In the resolution, authorize check signers Mayor Hollis Matthews and City Manager Darrell Hull.
  - 3) In the resolution, authorize investment account signers of City Manager Darrell Hull, Finance Director Anne LaMere, and Accountant Tanisha Sherman.
  - 4) Authorize staff to open a brokerage account with Frost Bank, Mansfield Texas
  - 5) Invest the \$21.8M of investible balances as follows –
    - a. Close the TexStar account and move all funds to the newly opened Frost Bank account
    - b. Move an amount that would total \$8M (to include the TexStar balance) from TexPool to Frost Bank
    - c. Purchase \$8M in US Treasuries in the following denominations -- \$4M six month / \$4M 1 year.
    - d. Open a TexPool Prime account
    - e. Move ½ of the remaining TexPool balance into the TexPool Prime account

After the above items have occurred, balances should be approximately as follows –

Frost Bank -- \$4M six month US Treasuries expecting 2.96% yield and \$4M 1 year US Treasuries expecting 3.21% yield (note: there will be a slight reduction in interest for brokerage fees)

TexStar -- \$0

TexPool Prime \$6.9M Expecting 1.20%

TexPool \$6.9M Expecting 1.00%

## **I. PURPOSE**

Chapter 2256 of the Government Code, as amended from time to time by the Texas State Legislature ("Public Funds Investment Act") requires each city to adopt rules governing its investment practices and to define the authority of the investment official. The Investment Policy addresses the methods, procedures and practices which must be exercised to ensure effective and prudent fiscal management of the City of Kennedale funds.

## **II. SCOPE**

The Investment Policy applies to the investment and management of all funds under direct authority of the City of Kennedale.

A. These funds are accounted for in the City's Annual Financial Report (CAFR) and include the following:

- 1) General Fund;
- 2) Special Revenue Funds;
- 3) Capital Project Funds;
- 4) Enterprise/Proprietary Funds;
- 5) Trust and Agency Funds, to the extent not required by law or existing contract to be kept segregated and managed separately;
- 6) Debt Service Funds, including reserves and sinking funds to the extent not required by law or existing contract to be kept segregated and managed separately; and
- 7) Any new fund created by the City, unless specifically exempted from this policy by the City or by law.

This investment policy shall apply to all transactions involving the financial assets and related activity of all the foregoing funds.

B. This policy excludes:

- 1) Employee Retirement and Pension Funds administered or sponsored by the City.

- 2) Defeased bond funds held in trust escrow accounts.

C. Review & Amendment: The City Council is required by state statute and by this investment policy to review this investment policy and investment strategies not less than annually and to adopt a resolution stating the review has been completed and recording any changes made to either the policy or strategy statements.

### III. PRUDENCE

Investments shall be made with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived.

In determining whether an investment official has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration:

- 1) the investment of all funds, or funds under the entity's control, over which the officer had responsibility rather than a consideration as to the prudence of a single investment; and
- 2) whether the investment decision was consistent with the written investment policy of the City.

All participants in the investment program will seek to act responsibly as custodians of the public trust. Investment officials will avoid any transaction that might impair public confidence in the City's ability to govern effectively. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism which is worthy of the public trust. Nevertheless, the City recognizes that in a marketable, diversified portfolio, occasional measured losses are inevitable and must be considered within the context of the overall portfolio's investment rate of return.

Investment officials, acting in accordance with written procedures and exercising due diligence, shall not be held personally responsible for market price changes, provided that these deviations from expectations are reported immediately to the Director of Finance, the City Manager and the City Council of the City of Kennedale, and that appropriate action is taken by the investment officials and their oversight managers to control adverse developments.

#### IV. OBJECTIVES

- A. Preservation & Safety of Principal: Preservation of capital is the foremost objective of the City. Each investment transaction shall seek first to ensure that capital losses are avoided, whether the loss occurs from the default of a security or from erosion of market value.
- B. Liquidity: The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which can be reasonably anticipated. Liquidity will be achieved by matching investment maturities with forecasted cash flow requirements and by investing in securities with active secondary markets.
- C. Yield: The investment portfolio of the City shall be designed to meet or exceed the average rate of return on 91-day U.S. treasury bills throughout budgetary and economic cycles, taking into account the City's investment risk constraints and the cash flow characteristics of the portfolio. Legal constraints on debt proceeds that are not exempt from federal arbitrage regulations are limited to the arbitrage yield of the debt obligation. Investment officials will seek to maximize the yield of these funds in the same manner as all other City funds. However, if the yield achieved by the City is higher than the arbitrage yield, positive arbitrage income will be averaged over a five year period, netted against any negative arbitrage income and the net amount shall be rebated to the federal government as required by federal regulations.

#### V. RESPONSIBILITY & CONTROL

- A. Delegation: Management responsibility to establish written procedures for the operation of the investment program consistent with this investment policy has been assigned to the Director of Finance by the City Manager. Such procedures shall include explicit delegation of authority to persons responsible for the daily cash management operation, the execution of investment transactions, overall portfolio management and investment reporting. The Director of Finance may delegate the daily investment responsibilities to either an internal investment official or an external investment advisor in combination with an internal investment official. The Director of Finance and/or his representative(s) will be limited by conformance with all federal regulations, ordinances, and the statements of investment strategy.
- B. Subordinates: All persons involved in investment activities shall be referred to as "Investment Officials." No person shall engage in an investment transaction, except as provided under the terms of this policy, the procedures established by the Director of Finance and the explicit authorization by the City Manager to withdraw, transfer, deposit and invest the City's funds. The Director of Finance shall be responsible for all

transactions undertaken, and shall establish a system of controls to regulate the activities of subordinate Investment Officials.

- C. Internal Controls: Internal controls shall be designed to prevent losses of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by investment officials. Controls deemed most important would include: control of collusion, separation of duties, third-party custodial safekeeping, avoidance of bearer-form securities, clear delegation of authority, specific limitations regarding securities losses and remedial action, written confirmation of telephone transactions, minimizing the number of authorized investment officials, and documentation of and rationale for investment transactions.

In conjunction with the annual independent audit, a compliance audit of management controls on investments and adherence to the Investment Policy and the Investment Strategy may be performed by the City's independent auditor.

- D. Ethics & Conflicts of Interest: An investment officer of the City who has a personal business relationship with a business organization offering to engage in an investment transaction with the City shall file a statement disclosing that personal business interest. An investment officer who is related within the second degree of affinity or consanguinity to an individual seeking to sell an investment to the City shall file a statement disclosing that relationship with the Texas Ethics Commission and the City Council. For purposes of this section, an investment officer has a personal business relationship with a business organization if:

- 1) the investment officer owns 10 percent or more of the voting stock or shares of the business organization or owns \$5,000 or more of the fair market value of the business organization;
- 2) funds received by the investment officer from the business organization exceed 10 percent of the investment officer's gross income for the previous year; or
- 3) the investment officer has acquired from the business organization during the previous year investments with a book value of \$2,500 or more for the personal account of the investment officer.

Investment officials of the City shall refrain from personal and business activities involving any of the City's custodians, depositories, broker/dealers or investment advisors which may influence the officer's ability to conduct his duties in an unbiased manner. Investment officials will not utilize investment advice concerning specific securities or classes of securities obtained in the transaction of the City's business for personal investment decisions, will in all respects subordinate their personal investment transactions to those of the City, particularly with regard to the timing of purchase and sales and will keep all investment advice obtained on behalf of the City

and all transactions contemplated and completed by the City confidential, except when disclosure is required by law.

- E. Investment Training Requirements: The Director of Finance and the Investment officials shall attend at least one ten hour training session relating to their investment responsibilities within 12 months after assuming their duties. In addition to this ten hour requirement, each investment officer shall receive not less than eight hours of instruction in their investment responsibilities at least once during each two year period that begins on October 1<sup>st</sup> and consists of the two consecutive fiscal years after that date. The investment training session shall be provided by an independent source. For purposes of this policy, an "independent source" from which investment training shall be obtained shall include a professional organization, an institute of higher learning or any other sponsor other than a Business Organization with whom the City of Kennedale may engage in an investment transaction. Such training shall include education in investment controls, credit risk, market risk, investment strategies, and compliance with investment laws, including the Texas State Public Funds Investment Act.

~~G. Fully collateralized repurchase or reverse repurchase agreements, including flexible repurchase agreements (flex repo), with a defined termination date secured by a combination of cash and obligations of the United States or its agencies and instrumentalities pledged to the City held in the City's name by a third party selected by the City. Repurchase agreements must be purchased through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in Texas. The securities received for repurchase agreements must have a market value greater than or equal to 103 percent at the time funds are disbursed. All transactions shall be governed by a Master Repurchase Agreement between the City and the primary government securities dealer or financial institution initiating Repurchase Agreement transactions.~~

~~The term of any reverse security repurchase agreement may not exceed 90 days after the date the reverse security repurchase agreement is delivered. Money received under the terms of a reverse security repurchase agreement shall be used to acquire additional authorized investments, but the term of the authorized investments acquired must mature not later than the expiration date stated in the reverse security repurchase agreement.~~

H. No-load money market mutual funds if the mutual fund:

- 1) Banker's Acceptances;
- 2) "Bond" Mutual Funds;
- 3) Collateralized Mortgage Obligations of any type; and

A local government investment pool or money market mutual fund that invests in commercial paper must meet the requirements of Article VI, Sections E and H above.

5) Repurchase agreements and reverse repurchase agreements.

- J. If an investment in the City's portfolio becomes an unauthorized investment due to changes in the Investment Policy or the Public Funds Investment Act, or an authorized investment is rated in a way that causes it to become an unauthorized investment, the investment officials of the City shall review the investment and determine whether it would be more prudent to hold the investment until its maturity, or to redeem the investment. Officials shall consider the time remaining until maturity of the investment, the quality of the investment, and the quality and amounts of any collateral which may be securing the investment in determining the appropriate steps to take.

## VII. PORTFOLIO AND INVESTMENT ASSET PARAMETERS

- A. Bidding Process for Investments: It is the policy of the City to require competitive bidding for all investment transactions (securities and bank C.D.'s) except for:
- 1) transactions with money market mutual funds and local government investment pools (which are deemed to be made at prevailing market rates); and
  - 2) treasury and agency securities purchased at issue through an approved broker/dealer.

At least three (3) bids or offers must be solicited for all other investment transactions. In a situation where the exact security being offered is not offered by other dealers, offers on the closest comparable investment may be used to establish a fair market price of the security. Security swaps are allowed, as long as maturity extensions, credit quality changes and profits or losses taken are within the other guidelines set forth in this policy.

- B. Maximum Maturities: The City of Kennedale will manage its investments to meet anticipated cash flow requirements. Unless matched to a specific cash flow, the City

will not directly invest in securities maturing more than five (5) years from the date of purchase.

C. Maximum Dollar-Weighted Average Maturity: Under most market conditions, the composite portfolio will be managed to achieve a one-year or less dollar-weighted average maturity. However, under certain market conditions investment officials may need to shorten or lengthen the average life or duration of the portfolio to protect the City. The maximum dollar-weighted average maturity based on the stated final maturity, authorized by this investment policy for the composite portfolio of the City shall be three (3) years.

D. Diversification: The allocation of assets in the portfolios should be flexible depending upon the outlook for the economy and the securities markets. In establishing specific diversification strategies, the following general policies and constraints shall apply.

1) Portfolio maturities and call dates shall be staggered in a way that avoids undue concentration of assets in a specific sector. Maturities shall be selected which provide for stability of income and reasonable liquidity.

2) To attain sufficient liquidity, the City shall schedule the maturity of its investments to coincide with known disbursements. Risk of market price volatility shall be controlled through maturity diversification such that aggregate realized price losses on instruments with maturities exceeding one (1) year shall not be greater than coupon interest and investment income received from the balance of the portfolio.

3) The following maximum limits, by instrument, are established for the City's total portfolio:

- Certificates of Deposit.....50%
- Local Government Investment Pools (*See D.(5) below*).....100%
- Money Market Mutual Funds (*See D.(5) below*).....100%
- Obligations of states, agencies, cities & other political subdivisions of any state.....25%
- ~~Repurchase Agreements (*See D. (4) below*).....50%~~
- State of Texas Obligations & Agencies.....50%
- US Treasury & US Agency Callables.....25%
- US Government Agencies & Instrumentalities.....100%
- US Treasury Notes/Bills.....100%

~~4) The City shall not invest more than 50% of the investment portfolio in repurchase agreements, excluding bond proceeds and reserves.~~

- 5) The investment committee shall review diversification strategies and establish or confirm guidelines on at least an annual basis regarding the percentages of the total portfolio that may be invested in securities other than U.S. Government Obligations. The investment committee shall review quarterly investment reports and evaluate the probability of market and default risk in various investment sectors as part of its consideration.

#### **VIII. AUTHORIZED BROKER/DEALERS & FINANCIAL INSTITUTIONS**

- A. Investment officials will maintain a list of financial institutions and broker/dealers selected by credit worthiness, who are authorized to provide investment services to the City. These firms may include:

- 1) all primary government securities dealers; and
- 2) those regional broker/dealers who qualify under Securities and Exchange Commission Rule 15C3-1(uniform net capital rule), and who meet other financial credit criteria standards in the industry.

The investment officials may select up to six (6) firms from the approved list to conduct a portion of the daily City investment business. These firms will be selected based on their competitiveness, participation in agency selling groups and the experience and background of the salesperson handling the account. The approved broker/dealer list will be reviewed and approved along with this investment policy at least annually by the investment committee.

- B. All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the investment officials with the following:

- 1) Audited financial statements;
- 2) Proof of National Association of Securities Dealers (N.A.S.D.) certification, unless it is a bank;
- 3) Resumes of all sales representatives who will represent the financial institution or broker/dealer firm in dealings with the City; and
- 4) An executed written instrument, by the qualified representative, in a form acceptable to the City and the business organization substantially to the effect that the business organization has received and reviewed the investment policy of the City and acknowledges that the business organization has implemented reasonable procedures and controls in an effort to preclude investment transactions conducted between the City and the organization that are not authorized by the City's investment policy, except to the extent that this

authorization is dependent on an analysis of the makeup of the City's entire portfolio or requires an interpretation of subjective investment standards.

#### **IX. SAFEKEEPING & CUSTODY OF INVESTMENT ASSETS**

All security transactions, including collateral for repurchase agreements entered into by the City shall be conducted using the delivery vs. payment (DVP) basis. That is, funds shall not be wired or paid until verification has been made that the correct security was received by the safekeeping bank. The only exceptions to DVP settlement shall be wire transactions for money market funds and government investment pools. The safekeeping or custody bank is responsible for matching up instructions from the City's investment officials on an investment settlement with what is wired from the broker/dealer, prior to releasing the City's designated funds for a given purchase. The security shall be held in the name of the City or held on behalf of the City in a bank nominee name. Securities will be held by a third party custodian designated by the investment officials and evidenced by safekeeping receipts or statements. The safekeeping bank's records shall assure the notation of the City's ownership of or explicit claim on the securities. The original copy of all safekeeping receipts shall be delivered to the City. A safekeeping agreement must be in place which clearly defines the responsibilities of the safekeeping bank.

#### **X. COLLATERAL**

The City's depository bank shall comply with Chapter 2257 of the Government Code, Collateral for Public Funds, as required in the City's bank depository contract.

- A. Market Value: The Market Value of pledged Collateral must be equal to or greater than 102% of the principal and accrued interest for cash balances in excess of the Federal Deposit Insurance Corporation (FDIC) or National Credit Union Share Insurance Fund (NCUSIF) insurance coverage. The Federal Reserve Bank and the Federal Home Loan Bank are designated as custodial agents for collateral. An authorized City representative will approve and release all pledged collateral. The securities comprising the collateral will be marked to market on a monthly basis using quotes by a recognized market pricing service quoted on the valuation date, and the City will be sent reports monthly.
- B. Collateral Substitution: Collateralized investments often require substitution of collateral. The Safekeeping bank must contact the City for approval and settlement. The substitution will be approved if its value is equal to or greater than the required collateral value.
- C. Collateral Reduction: Should the collateral's market value exceed the required amount, the Safekeeping bank may request approval from the City to reduce Collateral.

Collateral reductions may be permitted only if the collateral's market value exceeds the required amount.

- D. Letters of Credit: Letters of Credit, as defined in Article VI (A), are acceptable collateral for Certificates of Deposit. Upon the discretion of the City, a Letter of Credit can be acceptable collateral for City funds held by the City's bank depository.

## **XI. INVESTMENT REPORTS**

- A. Reporting Requirements: The investment officials shall prepare a quarterly investment report in compliance with section 2256.023 of the Public Funds Investment Act of the State of Texas. The report shall be submitted to the City Council and the Investment Committee within 30 days following the end of the quarter.
- B. Investment Records: An investment official designated by the City Manager shall be responsible for the recording of investment transactions and the maintenance of the investment records with reconciliation of the accounting records and of investments carried out by an accountant. Information to maintain the investment program and the reporting requirements, including pricing or marking to market the portfolio, may be derived from various sources such as: broker/dealer research reports, newspapers, financial on-line market quotes, direct communication with broker/dealers, market pricing services, investment software for maintenance of portfolio records, spreadsheet software, or external financial consulting services relating to investments.
- C. Auditor Review: The City's independent external auditor may formally review the quarterly investment reports annually to ensure compliance with the State of Texas Public Funds Investment Act, and any other applicable State Statutes.

## **XII. INVESTMENT COMMITTEE**

- A. Members: An Investment Committee, consisting of the City Manager or designee and the Director of Finance, shall review the City's investment strategies and monitor the results of the investment program at least quarterly. Further, FNI shall have no responsibility for any pollutant during clean-up, transportation, storage or disposal

activities.

10. **OPINION OF PROBABLE COSTS:** FNI will furnish an opinion of probable project development cost based on present day cost, but does not guarantee the accuracy of such estimates. Opinions of probable cost, financial evaluations, feasibility studies, economic analyses of alternate solutions and utilitarian considerations of operations and maintenance costs prepared by FNI hereunder will be made on the basis of FNI's experience and qualifications and represent FNI's judgment as an experienced and qualified design professional. It is recognized, however, that FNI does not have control over the cost of labor, material, equipment or services furnished by others or over market conditions or contractors' methods of determining their prices.
11. **CONSTRUCTION REPRESENTATION:** If required by the Agreement, FNI will furnish construction representation according to the defined scope for these services. FNI will observe the progress and the quality of work to determine in general if the work is proceeding in accordance with the Contract Documents. In performing these services, FNI will report any observed deficiencies to City, however, it is understood that FNI does not guarantee the Contractor's performance, nor is FNI responsible for the supervision of the Contractor's operation and employees. FNI shall not be responsible for the means, methods, techniques, sequences or procedures of construction selected by the Contractor, or the safety precautions and programs incident to the work of the Contractor. FNI shall not be responsible for the acts or omissions of any person (except its own employees or agents) at the Project site or otherwise performing any of the work of the Project. If City designates a Resident Project Representative that is not an employee or agent of FNI, the duties, responsibilities and limitations of authority of such Resident Project Representative will be set forth in writing and made a part of this Agreement before the Construction Phase of the Project begins.
12. **GENERAL CONDITIONS OF THE CONSTRUCTION CONTRACT:** City agrees to include provisions in the General Conditions of the Construction Contract that require Contractor to include FNI: (1) as an additional insured and in any waiver of subrogation rights with respect to such liability insurance purchased and maintained by Contractor for the Project (except workers' compensation and professional liability policies); and (2) as an indemnified party in the Contractor's indemnification provisions where the Owner is named as an indemnified party.
13. **PAYMENT:** Progress payments may be requested by FNI based on the amount of Services completed. Payment for the Services of FNI shall be due and payable upon submission of a statement for Services to CITY and in acceptance of the Services as satisfactory by the City. Statements for Services shall not be submitted more frequently than monthly. Any applicable new taxes imposed upon Services, expenses and charges by any governmental body after the execution of this Agreement will be added to FNI's compensation.

If City fails to make any payment due FNI for services and expenses within 30 days after receipt of FNI's statement for services therefore, the amounts due FNI will be increased at the rate of 1 percent per month from said 30th day, and, in addition, FNI may, after giving 7 days' written notice to City, suspend services under this Agreement until FNI has been paid in full, all amounts due for services, expenses and charges.

14. **ARBITRATION:** No arbitration, arising out of or relating to this Agreement, involving one party to this Agreement may include the other party to this Agreement without their approval.
15. **SUCCESSORS AND ASSIGNMENTS:** City and FNI each are hereby bound and the partners, successors, executors, administrators and legal representatives of City and FNI are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements and obligations of this Agreement.

Neither City nor FNI shall assign, sublet or transfer any rights under or interest in (including, but without limitation, moneys that may become due or moneys that are due) this Agreement without the written consent of the other, except to the extent that any assignment, subletting or transfer is mandated by law or the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent FNI from employing such independent associates and consultants as FNI may deem appropriate to assist in the performance of Services hereunder.

16. **PURCHASE ORDERS:** If a Purchase Order is used to authorize FNI's Services, only the terms, conditions/instructions typed on the face of the Purchase Order shall apply to this Agreement. Should there be any conflict between the Purchase Order and the terms of this Agreement, then this Agreement shall prevail and shall be determinative of the conflict.

This contract has been added to the July 19 Council Meeting Agenda. In order for the mayor to sign, it will need to be reformatted.

Can you delete Page 2 and 5 since there is nothing there? Can you also list that there are no Special Terms under item 3 and bring the signature block up so that there are only two pages?

## **ESCROW AGREEMENT**

THIS ESCROW AGREEMENT (the "Agreement"), made by and between the City of Kennedale, Texas, a political subdivision of the State of Texas in Tarrant, Texas, (the "City"), and BOKF, NA (the "Escrow Agent") together with any successor in such capacity;

W I T N E S S E T H:

WHEREAS, pursuant to a Grant Agreement, pursuant to which the City will accept certain contractual obligations (the "Obligations") to obtain financial assistance from the Texas Water Development Board (the "TWDB") for the purpose of funding a project identified as Project No. 40187 (the "Project"); and

WHEREAS, the Escrow Agent is a state or national bank designated by the Texas Comptroller as a state depository institution in accordance with Texas Government Code, Chapter 404, Subchapter C, or is a designated custodian of collateral in accordance with Texas Government Code, Chapter 404, Subchapter D and is otherwise qualified and empowered to enter into this Agreement, and hereby acknowledges its acceptance of the terms and provisions hereof; and

WHEREAS, pursuant to the Grant Agreement, the TWDB shall deposit grant proceeds (the "Proceeds") in escrow subject to being withdrawn only with the approval of the Executive Administrator of the TWDB or another designated representative; provided, however, the Proceeds can be transferred to different investments so long as all parties hereto consent to such transfer;

NOW, THEREFORE, in consideration of the mutual agreements herein contained and in consideration of the amount of fees to be paid by the City to the Escrow Agent, as set forth on **EXHIBIT A**, the receipt of which is hereby acknowledged, and in order to secure the delivery of the Obligations, the parties hereto mutually undertake, promise, and agree for themselves, their respective representatives and successors, as follows:

**SECTION 1: ESCROW ACCOUNT.** Upon the delivery of the Obligations described above, the Proceeds identified under TWDB Commitment Number G1001517 shall be deposited to the credit of an escrow account (the "Escrow Account") maintained at the Escrow Agent on behalf of the City and the TWDB and shall not be commingled with any other accounts or with any other proceeds or funds. The Proceeds received by the Escrow Agent under this Agreement shall not be considered as a banking deposit by the City, and the Escrow Agent shall have no right to title with respect thereto except as Escrow Agent under the terms of this Agreement.

The Escrow Account shall be entitled "City of Kennedale, Texas Grant Agreement, Texas Water Development Board Commitment No. G1001517 Escrow Account" and shall not be subject to warrants, drafts or checks drawn by the City but shall be disbursed or withdrawn to pay the

costs of the Project for which the Obligations were issued or other purposes in accordance with the Grant Agreement and solely upon written authorization from the Executive Administrator or his/her designated representative. The Escrow Agent shall provide to the City and to the TWDB the Escrow Account bank statements upon request.

**SECTION 2: COLLATERAL.** All cash deposited to the credit of such Escrow Account and any accrued interest in excess of the amounts insured by the FDIC and remaining uninvested under the terms of this Agreement shall be continuously secured by a valid pledge of direct obligations of the United States of America or other collateral meeting the requirements of the Public Funds Collateral Act, Texas Government Code, Chapter 2257.

**SECTION 3: INVESTMENTS.** While the Proceeds are held in escrow, the Escrow Agent shall only invest and re-invest escrowed Proceeds as it is directed in writing by the City in investments that are authorized by the Public Funds Investment Act, Texas Government Code, Chapter 2256 (PFIA). It is the City's responsibility to direct the Escrow Agent to invest all public funds in a manner that is consistent not only with the PFIA but also with its own written investment policy. In the absence of written investment direction from the City, the Proceeds or any or interest earned thereon shall be uninvested.

**SECTION 4: DISBURSEMENTS.** The Escrow Agent shall not honor any disbursement from the Escrow Account, or any portion thereof, unless and until it has been supplied with written approval and consent by the Executive Administrator or his/her designated representative. However, no written approval and consent by the Executive Administrator shall be required if the disbursement involves transferring Proceeds from one investment to another within the Escrow Account provided that all such investments are consistent with the PFIA requirements.

**SECTION 5: UNEXPENDED FUNDS.** Any Proceeds remaining unexpended in the Escrow Account after completion of the Project and after the final accounting has been submitted to and approved by the TWDB shall be disposed of pursuant to the provisions of the Grant Agreement. The City shall deliver a copy of such TWDB approval of the final accounting to the Escrow Agent together with instructions concerning the disbursement of unexpended Proceeds hereunder. The Escrow Agent shall have no obligation to ensure that such unexpended Proceeds are used as required by the provisions of the Grant Agreement, that being the sole obligation of the City.

**SECTION 6: CERTIFICATIONS.** The Escrow Agent shall be authorized to accept and rely upon the certifications and documents furnished to the Escrow Agent by the City and shall not be liable for the payment of any funds made in reliance in good faith upon such certifications or other documents or approvals, as herein recited.

**SECTION 7: LIABILITY OF ESCROW AGENT.** To the extent permitted by law, the Escrow Agent shall not be liable for any act done or step taken or omitted by it or any mistake of fact or law, except for its negligence or willful misconduct. The Escrow Agent shall not be responsible in

any manner for any proceedings in connection with the Obligations or any recitation contained in the Obligations.

In the event of a question regarding any disbursement or a disagreement between the undersigned or TWDB or any other person resulting in adverse claims being made upon the amounts in the Escrow Account, the Escrow Agent shall be protected and shall not be liable to the City or any other person if it follows the written direction of the Executive Administrator or of a final order or judgment of a court of competent jurisdiction. In addition, to the extent permitted by law, the City agrees to indemnify and hold the Escrow Agent harmless from all losses, costs, liabilities, actual damages, fees and expenses (including, but not limited to, reasonable attorney's fees and expenses) suffered or incurred by Escrow Agent arising from the performance of its obligations under this Agreement ("Acts"), except such Acts as arise from or attributable to the negligence or willful misconduct of Escrow Agent. Escrow Agent may consult with legal counsel in the event of any dispute or question as to the construction of any of the provisions hereof or its duties hereunder, and, to the extent it acts in good faith without negligence or willful misconduct it shall be fully protected in acting in accordance with the opinion and instructions of such counsel. The Escrow Agent may resign at any time by providing such termination notices in accordance with Section 11.

No provisions of this Agreement shall require the Escrow Agent to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

**SECTION 8: RECORDS.** The Escrow Agent will keep complete and correct books of record and account relating to the receipts, disbursements, allocations and application of the money deposited to the Escrow Account, and investments of the Escrow Account and all proceeds thereof. The records shall be available for inspection and copying at reasonable hours and under reasonable conditions by the City and the TWDB.

**SECTION 9: MERGER/CONSOLIDATION.** In the event that the Escrow Agent merges or consolidates with another bank or sells or transfers substantially all of its assets or corporate trust business, then the successor bank shall be the successor Escrow Agent without the necessity of further action as long as the successor bank is a state or national bank designated by the Texas Comptroller as a state depository institution in accordance with Texas Government Code, Chapter 404, Subchapter C, or is a designated custodian of collateral in accordance with Texas Government Code Chapter 404, Subchapter D. The Escrow Agent must provide the TWDB with written notification within 30 days of acceptance of the merger, consolidation, or transfer. If the merger, consolidation or other transfer has occurred between state banks, the newly-created entity shall forward the certificate of merger or exchange issued by the Texas Department of Banking as well as the statement filed with the pertinent chartering

authority, if applicable, to the TWDB within five business days following such merger, consolidation or exchange.

**SECTION 10: AMENDMENTS.** This Agreement may be amended from time to time as necessary with the written consent of the City and the TWDB, but no such amendments shall increase the liabilities or responsibilities or diminish the rights of the Escrow Agent without its consent.

**SECTION 11: TERMINATION.** In the event that this Agreement is terminated by either the City or by the Escrow Agent, the Escrow Agent must report said termination in writing to the TWDB within five business days of such termination. The City is responsible for ensuring that the following criteria are satisfied in selecting the successor escrow agent and notifying the TWDB of the change in escrow agents: (a) the successor escrow agent must be an FDIC-insured state or national bank designated by the Texas Comptroller as a state depository; (b) the successor escrow agent must be retained prior to or at the time of the termination; (c) an escrow agreement must be executed by and between the City and the successor escrow agent and must contain the same or substantially similar terms and conditions as are present in this Agreement; and (d) the City must forward a copy of the executed escrow agreement with the successor escrow agent within five business days of said termination. No funds shall be released by the TWDB until it has received, reviewed and approved the escrow agreement with the successor escrow agent. If the City has not appointed a successor escrow agent within thirty (30) days of the notice of termination, the Escrow Agent may petition any court of competent jurisdiction in Texas for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon the City. Whether appointed by the City or a court, the successor escrow agent and escrow agreement must be approved by the TWDB for the appointment to be effective. The Escrow Agent is responsible for performance under this Agreement until a successor has been approved by the TWDB and has signed an acceptable escrow agreement.

**SECTION 12: EXPIRATION.** This Agreement shall expire upon final transfer of the funds in the Escrow Account to the City.

**SECTION 13: POINT OF CONTACT.** The points of contact for the Escrow Agent and the TWDB are as follows:

**SECTION 15: ASSIGNABILITY.** This Agreement shall not be assignable by the parties hereto, in whole or in part, and any attempted assignment shall be void and of no force and effect.

**SECTION 16: ENTIRE AGREEMENT.** This Agreement evidences the entire Escrow Agreement between the Escrow Agent and the City and supersedes any other agreements, whether oral or written, between the parties regarding the Proceeds or the Escrow Account. No modification or amendment of this Agreement shall be valid unless the same is in writing and is signed by the City and consented to by the Escrow Agent and the TWDB.
