MEETING DATE: SEPTEMBER 7, 2023

AGENDA ITEM NUMBER: Work Session Item II.A.1.

SUBJECT: Updates to the proposed FY24 budget

ORIGINATED BY: Jon Horton, CPA, Director of Finance

SUMMARY

Since our meeting on August 29th the following changes were made to the budget:

General Fund (01)

- Finance: Salaries were corrected to remove Temporary/Part-Time wages (\$39,923).
 - In a corresponding move, the incoming transfer from the EDC Fund (15) to cover Department of Finance expenditures was lowered to \$81,800.
- Community Development: Moved \$10,000 from Office Equipment to Software
- Police: Moved \$4,000 from Office Supplies to Software. No change to department total.
- Fire: Moved \$8,000 from Office Supplies to Software. No change to department total.
- Library: Salaries were corrected to remove Temporary/Part-Time Wages (\$42,000)
- Communications: Software was reduced by \$5,000. Civic software was also listed under City Secretary
- Non-Departmental: An outgoing transfer of \$68,958 to the Street Improvement Fund (17) was added
 - This to cover a Pavement Management System (Special Services) and additional street repair

EDC Fund (15)

- The reduction in Department of Finance expenditures caused a decrease in the outgoing General Fund transfer. The total transfer is now \$408,105, with \$81,800 designated for the Department of Finance.
- Updated fund balances and prior year adjustment to reflect audited figures and updated transfer formulas.

Street Improvement Fund (17)

- Salaries were corrected to remove Temporary/Part-Time Wages (\$23,740).
- Added a \$68,958 incoming transfer from the General Fund
 - \$32,000 will be used for a new Pavement Management System. This has been placed in Special Services. The total budget for expenditures in Special Services is now \$32,500
 - \$36,958 has been added to Street Maintenance, bringing the total to \$176,958

The Expenditure Summary by Fund, Interfund Transfer, and Common Cost Analysis pages have been updated to reflect adjustments listed above.

A detailed page for Street Fund expenditures has been added. Page numbers after 117 were changed to reflect this addition.

RECOMMENDATION

Continue moving forward with the budget, as proposed, in preparation for our public hearing.

From: Darrell Hull, City Manager
Subject: Proposed FY 2023-2024 Budget for the City of Kennedale

Mayor Jan Joplin and Council Members,

I am pleased to submit the fiscal year 2023-2024 (FY 2023-2024) City of Kennedale recommended operating budget for your consideration. This proposed budget will be effective October 1, 2023, and close September 30, 2024.

The development of the budget has been a collaborative process with input from every department and the City of Kennedale leadership team. The recommended budget for FY 2023-2024 is balanced and represents a responsible spending plan for the upcoming fiscal year while still meeting future city development and growth needs. The FY 2023-2024 budget includes a modest increase in operating expenditures.

The budget development process considers city council's vision and priorities, national, state, and local economic outlooks, and existing and future financial commitments. The development of the budget also accounts for multi-year capital planning and investing in available resources by strategic priority. The FY 2023-2024 recommended budget continues to prioritize our residents, businesses, and our workforce while meeting the needs of a growing community as in previous years.

The recommended FY 2023-2024 budget also anticipates continued positive growth in city revenues. The local and regional economy has remained resilient despite post-pandemic inflationary driven changes seen in other parts of the country. The budget reflects increases in property and sales taxes driven by increased property values in the city.

The recommended FY 2023-2024 budget proposes an increase of 1,129,122.28, or 15.8% over FY 2022-2023. Although the general fund is the primary source for most city operations, this budget also comprises all necessary funds to include water and sewer, stormwater, franchise fees, investment funds, and the Economic Development Corporation (EDC) fund. Employee recruitment and retention, equitable market compensation, new debt service, and adjustments for inflation comprise the largest expenditure increases in this year's

proposed budget.

City Personnel

As in any organization, competent and experienced city employees are essential to meet the vision and goals of the council and the needs and expectations of our citizens. It is generally known that municipal government and private sector organizations are competing for a smaller, highly qualified pool of available employees in the current job market. Needed market salary adjustments have become the new norm, as municipal governments continue to face a shortage of personnel throughout the state and the country. However, I am pleased to announce that for the first time since the pandemic, the City of Kennedale is almost completely fully staffed. In an effort to retain our employees, this budget proposes a compensation increase between three and eight percent for all employees, contingent upon job related skills, knowledge, and abilities associated with their current position. However, although this is positive increase for all employees, the compensation in some positions will remain below the current market average with plans to address the market pay gap as soon as practical. The recommended budget also includes three new employees vital to meet the needs of our growing community. These new positions include two public works employees and one EDC/Library event planner.

In our FY 2022-2023 budget, we outlined professional expectation goals for city staff members. I am proud to announce that we achieved most of last year's goals. Unachieved goals were as a result of financial constraints or the inability to meet the fiscal year timeframe. Uncompleted objectives will be incorporated into this year's goals and directives for employees.

Unified Development Code (UDC)

One of our FY 2022-2023 budget goals included an update to the Comprehensive Plan and the Unified Development Code (UDC). This project will continue into FY 2023-2024 under this proposed budget with input from our elected officials to address anticipated growth in local business and urban development. Accordingly, a thorough review and subsequent updates of the policies and procedures in the UDC is crucial to our success in the present and in the future.

The updated UDC will provide the city with the ability to communicate and enforce clear and measurable expectations and building standards for developers while minimizing conflict regarding contradictory policies and guidelines in our current UDC standards. Having clear and measurable development standards helps elected officials, city administrators, and citizens as the city continues to grow. Developers are also provided the opportunity to evaluate proposed projects vis á vis our community standards when exploring opportunities in Kennedale. A strong, clear, and concise UDC creates a benchmark for future development in the city in line

with our growth needs and expectations. Working together, we can continue to attract families seeking a safe and beautiful place to live, with a quality-driven school district, while creating a business-friendly climate.

Quality of Life and Infrastructure Improvements

Our continued commitment to enhance the quality of life for our residents, visitors, and property owners, included completing capital infrastructure projects regarding our water and sewer lines and street repairs. Quality of life enhancements also include projects completed this year such as the purchase and installation of new playground equipment and improvements to the splashpad play area at Sonora Park.

The following street projects were completed during the FY 2022-2023 budget year with more road improvements scheduled in FY 2023-2024:

- Broadway Street
- Cooper Lane
- Corry A. Edwards Drive
- Jonah Road
- Joy Lane
- North New Hope Road
- West 3rd Street
- West 4th Street
- West 5th Street

During FY 2022-2023, the city partnered with the U.S. Department of Housing and Urban Development (HUD) and received a Community Development Block Grant (CDBG). The HUD grant allocation was used to replace over one thousand feet of water and sewer lines on West 3rd Street and North New Hope Road. To meet our continuing infrastructure needs, we plan to continue our partnership with HUD to receive additional CDBG funding to replace water and sewer lines on Shady Lane. Plans within FY 2023-2024 also include addressing long overdue infrastructure needs regarding slope stabilization plus road and bridge improvements on Valley Lane.

We have also partnered with Tarrant County Precinct 2 for FY 2023-2024. Precinct 2 has awarded the city with funding to help reconstruction efforts for South New Hope Road, Swiney Heitt Road, and Eden Road. We also plan on beginning a complete rebuild of Collett Sublett Road, in addition to improvements to concrete streets within neighborhoods in the coming fiscal year.

Lastly, regarding street and sewer improvements, the Safe Routes to School project will begin in earnest in June of 2024. The city had originally partnered with the Texas Department of Transportation (TXDOT) in 2016 to improve pedestrian and bicycle mobility in our community. The program focuses on providing more children the opportunity to walk and bike to school safely while reducing vehicular traffic. A projected completion date will be announced as soon as possible.

We have started negotiations with Arlington Water Utilities to supply water to the City of Kennedale. With the 2023 Certificate of Obligation (CO) Bond, we will be able to start construction on the T3 and T4 500,000-gallon storage water tanks needed to continue necessary water supply and water pressure for the city.

Communications and Community Outreach

In the past year, we were able to provide a variety of resources to all ages through our Public Library and Senior Center. This included new programs focused on improving life skills and workforce quality training through reading programs and hosting classes to learn basic computer skills. During this past year, the Library and Senior Center experienced significantly higher visitor traffic than in previous years. The Senior Center continues to be a very popular experience for our senior citizen community with a variety of events specially designed for their enjoyment. The library created a variety of additional programs and events free to the public, encouraging citizens to take advantage of the resources available in our community.

The police department also launched a series of new and exciting programs in an effort to build partnerships and increase communication within the community. The department's Community Engagement Officer created a Business Crime Prevention Coalition to help local businesses deter crime and improve prevention efforts. The department also began hosting Coffee with a Cop with our Kennedale Seniors Community. These are just two examples highlighting the police department's efforts to support the city's new direction toward improving outreach and communication with our citizens.

Additional citizen involvement on our city boards and commissions is also another important aspect that is key to promoting better communication with our citizens. We will continue to build upon our previous efforts to encourage more citizen involvement in the new year and improve our communications to our citizens using all available means. The city will focus on improving communication through social media, city web pages, townhall meetings, and increased attendance at homeowner association meetings and other community events. This will also include continued involvement with the Kennedale Rotary and the Chamber of Commerce.

We recognize that providing information to our citizens is imperative, especially with local events or any incidents that may affect the community. The city has made improvements regarding citywide notifications for situations such as street closures or weather events, but there is still work to be done. The city is committed to keeping every citizen informed to the best of our ability and will seek any and all additional means to do so now and in the coming year.

In the past year, we made wonderful strides supporting a wide variety of city sponsored and city supported events. We were able to budget for events to promote citizen involvement in our community. These included our revamped Kennedale Hometown Christmas event with a new thirty-foot Christmas tree, a new Kennedale

BBQ Cook-Off event in partnership with Kennedale Speedway Park, Kidfish and Bark in the Park held at Sonora Park, the 911 Memorial Commemoration at TownCenter Plaza, the Veterans Day Memorial also hosted at TownCenter Plaza, the annual Halloween Truck or Treat event held in TownCenter, and the Juneteenth Parade. We had a great turn out for each event and our citizens have given us lots of positive feedback. These community events and possibly even more are planned for FY 2023-2024.

In conclusion, I wish to thank each member of the City of Kennedale team. Department directors and administrative staff spent many hours meeting and providing feedback to complete this year's proposed budget. I especially want to thank Finance Director Jonathon Horton and his office for their dedicated efforts completing this budget. The City of Kennedale has achieved great things during the current fiscal year. With the leadership of the city council and the support of our citizens, we will continue taking steps in the right direction toward providing outstanding service efficiently.

I would like to thank the members of the city council for your continued support and the opportunity to serve as your City Manager. I am looking forward to continuing to manage our great city and serving our citizens. I respectfully submit this budget for consideration.

Sincerely,

Darrell Hull, City Manager
City of Kennedale, Texas

The budget is created on a fund basis with similar activities, goals, and funding sources grouped within each area. Each fund is self-balancing and is accounted for on its own. The General Fund, which encompasses most operational activities, is primarily funded by maintenance and operation ad valorem (property) tax, sales tax, and fees, and contains departmental line item expense budgets.

The Debt Service Fund budgets interest and sinking property taxes for payment of long-term bonds and notes.

The Utility Funds Section contain budgets for Stormwater, Water/Sewer, Water Impact, and Sewer Impact Fee Funds.

The financial reporting entity (the city government) includes all funds of the primary government (i.e., the City of Kennedale as legally defined), as well as each of its component units. Component units are legally separate entities for which the primary government is financially accountable. Discretely presented component units are legally separate entities and not part of the primary government's operations. The Kennedale Economic Development Corporation (KEDC) is included in the budget and account records as a discretely presented component unit.

Other Funds include any fund not mentioned above including Capital Funds, Court Funds, Special Grant Funds, New Hope TIF/TIRZ, Hotel Occupancy Tax Fund, and Special Police Funds.

It is the goal of operational funds like the General Fund, Street Fund, and Water Sewer Fund, to have revenue that exceeds expenditures to maintain a healthy reserve balance. Leadership aims to achieve and maintain an unassigned fund balance in the General Fund equal to 18% (with a goal of 25%) of budgeted annual expenditures to be used for unanticipated costs, unforeseen revenue fluctuations, or other adverse circumstances, as provided for in the Fund Balance Policy, a copy of which is included in the Appendix Section.

The City's accounting records for general governmental operations are maintained on a modified accrual basis, with the revenues being recorded when available and measurable and expenditures being recorded when goods or services are received and when liabilities are incurred. Accounting records for the City's utilities (example the Water Sewer Fund) are, instead, maintained on an accrual basis. In developing and maintaining the City's accounting system, consideration is given to the adequacy of the internal control structure. Internal accounting controls are designed to provide reasonable - but not absolute - assurance regarding: (1) the safeguarding of assets against loss from unauthorized use or disposition; and (2) the reliability of financial records for preparing financial statements and maintaining accountability of assets. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and

benefits requires estimates and judgments by management. All internal control evaluations occur within the above framework.

BUDGET PROCESS/TIMING

The development of the Annual Budget is governed by formal policies, accepted practices, and the City's budget principles – foremost of which is a balanced budget where revenue is equal to or greater than operating expenses, with unassigned fund balance being utilized for one-time capital purchases or street repair. The budget process is designed to meet the needs of the community by allocating sufficient resources to support the planning and implementation of services, programs, and objectives. The budget is built with the following purposes in mind:

- Establishes a plan of operation, which allocates resources of the City to achieve specific goals and objectives and guides the City's activities;
- Provides management information as a comprehensive recording of information; and,
- Establishes financial control through prioritization of programs/projects.

The budget cycle consists of three phases:

Development and Preparation

Each Director develops and submits to Finance initial budget requests, which are based on standing and new services and programs to meet the needs expressed by the public and the goals of the Mayor and Council. The Finance Director and the City Manager meet with each Director to review new program requests and compare projected revenues against projected expenditures. The City Manager then prepares a preliminary budget. The Preliminary Budget is shared with staff and assists the City Manager in developing the Proposed Budget, which is presented to City Council.

Review and Adoption

Council reviews the Proposed Budget, holds public hearings, and provides input and direction to staff before adopting the budget and the supporting property tax rate for the fiscal year.

Implementation

Throughout the fiscal year, the City Manager and staff implement and monitor the Adopted Budget. Included services, programs, and projects are carried out by departments with oversight from the Finance Office. Monthly financials are provided to Council to provide a status report on revenues and expenditures. The Finance Office also reviews and approves all check requests and requisitions for accuracy. Directors are expected to hold expenditures to the approved budgeted amounts, however, sometimes unforeseen circumstances occur resulting in positive and/or negative variances by line item. Directors must manage to the bottom line for the department, and report any overages at that level to the City Manager as soon as known to prevent any unexpected/unauthorized use of reserves. Budget amendments are presented by the City Manager to Council for approval and then input into the accounting system for tracking.

FINANCIAL POLICIES AND PROCEDURES

Financial policies adopted by Council govern the management of the City's various funds. These policies have enabled the City to maintain an AA- bond rating from S&P Global. Adopted Financial Policies are available on the city website at www.cityofkennedale.com/FINpolicies.

COMMUNITY PROFILE

Settled in the 1860s, Kennedale is named for a dale, a broad valley, and Oliver S. Kennedy, who platted the area and donated every other lot to the Southern Pacific Railroad. The first settlement was Village Creek. Many founding residents worked at Miss Sargent's Brickyard, which was located where Sonora Park sits today. Officially incorporated as a City in 1947, Kennedale operates under a Council-Manager government and a Home Rule Charter (adopted in 1998).

Incorporated in 1947, the City of Kennedale is a first-tier suburb of Fort Worth and is located adjacent to Arlington and Mansfield in southeast Tarrant County. The City currently occupies a land area of 6.6 square miles and serves a population of 9,329. The City is empowered to levy property tax on both real and business personal properties located within its boundaries.

The City operates under a Council-Manager form of government with a Council comprised of a Mayor and five Councilmembers, each elected at large. The term of office is two years with the terms of the Mayor and Council Places 2 and 4 expiring in even-numbered years and the terms of Council Places 1, 3, and 5 expiring in odd-numbered years. The City Council is responsible for enacting ordinances, resolutions, and regulations governing the City as well as appointing the members of various statutory and advisory boards, the City Manager, City Secretary, City Attorney, and Municipal Judge(s). The City Manager is the chief administrative officer of the City and is responsible for the enforcement of laws and ordinances, the appointment and supervision of executive directors and heads of departments, and the performance of administrative functions within the municipal organization.

The City of Kennedale provides a full range of services including police, fire, emergency medical service, municipal court, library, parks, water distribution, wastewater collection, solid waste collection, curbside recycling, streets, stormwater drainage, community development (planning, code enforcement, building inspection, and economic development), and general administrative services. The City contracts with the City of Arlington for the operation and maintenance of its water and wastewater utility system.

The City has 46 miles of streets, 120 miles of water and sewer lines, and 28 acres of parkland. The City supports 7 buildings – City Hall, Police Building, Fire Station, Public Works Facility, Section House, Library, and Senior Center.

Weather and Recreation

Warm summers and mild winters mean families can enjoy parks year-round, including the splash pad at Sonora Park. Spanning 22 acres, Sonora is Kennedale's largest recreational facility and offers a playground, fishing dock, trails, 9-hole disc golf course, ball fields, and the splash pad.

Kennedale also has TownCenter Park adjacent to the Shops at TownCenter. The park has a butterfly garden, outdoor pavilion, 9/11 Memorial, Veterans Memorial, walking paths, Eagle Fountain, Clock Tower, and is home to many events like the annual Hometown Christmas celebration.

Population and Local Economy

After an election in July of 1947, the Town of Kennedale incorporated with a population of 300 people. By 1950, the population had increased to 500 and a petition to the State of Texas was approved, which changed the Township into a recognized City. In more recent years, Kennedale is becoming one of Tarrant County's fastest growing cities. The City had a population of 8,517 in the 2020 census and has grown to 3,218 active water accounts with 9,300 people. The median income for a household in the city is \$102,217 and per capita income is \$40,477.

Kennedale is located at the nexus of US Interstate 20 and State Highway 287 on low rolling hills about ten miles southeast of downtown Fort Worth. Residents enjoy life in a quiet community that is 6.6 square miles, in between two of the five largest cities in Texas. The City provides a highly accessible location for both major retail and professional office space. This transportation corridor provides quick and easy access to the Dallas/Fort Worth International Airport. Downtown Fort Worth is just fifteen minutes to the northwest and downtown Dallas is less than thirty minutes to the east. The City's central location in the fourth largest metropolitan statistical area (MSA) in the nation means that Kennedale is just a short drive from major entertainment venues including Six Flags over Texas, Hurricane Harbor, Texas

Motor Speedway, Globe Life Field (home of the MLB's Texas Rangers), AT&T Stadium (home of the NFL's Dallas Cowboys), and Fort Worth's cultural district and nationally ranked zoo. Kennedale has experienced steady population growth in the last decade. Beautiful Village Creek slowly winds throughout the City, providing a feeling of tranquility in the community. Much of the City's land is undeveloped, allowing for incoming developments and offering residents a respite from the crowds and traffic congestion existing in much of the Dallas-Fort Worth Metroplex.

The Kennedale Economic Development Corporation (KEDC) was formed in 1996 to spearhead the City's economic growth. The KEDC is funded by a voter approved half-cent sales tax, which is used to offer grants and other economic incentives to existing and new businesses. The KEDC employs a four-pronged approach: (1) land acquisition, assembly, and clearing for resale, (2) manufacturing expansion, (3) retail retention and development, and (4) quality of life improvements. In accordance with the adopted master plan, the redevelopment of the Oak Crest area continues. Link Street to Kennedale Parkway was opened in 2015 and an extension was opened in October 2016. The improved access led to the development of a Popeye's and Burger King which opened in 2015. McDonald's opened in the Oak Crest area in October 2016. A hotel site is in the process of development. The KEDC is also working with property owners in the area to develop their land.

The Town Center shopping area is currently being renovated to accommodate new and expanded retail and service locations. This area currently houses an electric supply, Dickey's Barbecue, Subway, Bravo Eats, Emory Grace Salon, and a thriving antique mall.

Over 90 new structures are scheduled for completion in 2024, including a 40-unit townhome complex on Mansfield Cardinal Road, a gas station on Kennedale Parkway, and an exciting line-up of new retail offerings throughout the City.

Sales Tax Rates

Kennedale has a Sales Tax Rate of 8.25%. The rate is composed of the following components:

State of Texas	6.25%
City of Kennedale	1.50%
Economic Development Corporation	<u>0.50%</u>
Total	8.25%

Website and Social Media Presence

To engage the community, the City of Kennedale maintains a website at www.cityofkennedale.com where residents can find information such as budgets, financial policies, job postings, event calendars, make online payments for permits or court issues,

register for the emergency warning system, view Council agendas and minutes, volunteer for Boards and Committees, and more.

The City also maintains social media pages for City Hall, Police, Fire, the Library, and the Senior Center.

DEPARTMENT OUTLINE: CITY MANAGER

Kennedale operates under the Council-Manager form of government, which combines the strength of an elected Mayor and Council with a professional manager and staff. The City Manager's Department oversees the day-to-day management of the City, supervises all departments and employees, reports information and makes recommendations to the City Council, and fosters economic development. The City Manager is accountable to the City Council for the proper administration of all the affairs of the City.

SHORT-TERM GOALS

- Continue to improve the City's financial strength and integrity through efficient budget, financial, and debt management practices
- Texas Water Development Board 80% match on the Valley Lane Project
- Identify events as strengthening community base engagement with a home-town feel
- Completing roadway improvements as identified in existing engineering studies
- Updating City Employee Policy
- Update the Kennedale Comprehension and UDC Study

LONG-TERM GOALS

- Develop plan for extended development at Kennedale Parkway and I-20 to address crime and security issues
- Develop plan for redevelopment along southeast portion of Kennedale Parkway
- Develop tools and policies that reduce flood damage and flood risk to residents and buildings along Village Creek and its tributaries
- Determine financing and grant strategies to fund Village Creek restoration project
- Enable/facilitate residential development on New Hope Road (within TIRZ)
- Secure options for transportation funding
- Installation of medians along Kennedale Parkway
- Facilitate the inclusion of the extension of Little School Road in the 2021 Tarrant County Transportation Bond Program (at 50% funding)

DEPARTMENT OUTLINE: CITY SECRETARY

The Office of the City Secretary is committed to quality public services to the leadership and citizens of Kennedale with the highest regard for professional excellence, integrity, fairness, and consistency. We strive to improve transparency through accurate and timely information with diligent care to the City's official records.

Changes compared to FY23 include increases in software related to an expanded effort to digitize documents in Laserfiche, an increase in Special Services to cover Access (offsite storage), centralization of the City's Zoom accounts and offsite security monitoring of City Hall.

SHORT-TERM GOALS

- Ensure every meeting is recorded and streamed live on YouTube
- Educate all Councilmembers and board/committee members on access and use of the iPad during all meetings
- Compliance with TSLAC on Records Management and Retention Schedules

LONG-TERM GOALS

- Complete the TCMA program through UNT
- Implement a fully electronic records management system
- Serve on one of the TCMA committees.

DEPARTMENT OUTLINE: MUNICIPAL COURT

The Kennedale Municipal Court and its personnel are committed to promoting the highest standards in customer service, upholding the integrity of the court and serving the citizens of Kennedale in a courteous, efficient and professional manner. The Municipal Court is dedicated to principles of fair and impartial justice administered with respect and equality.

An increase in citations initiated a corresponding increase in operating expenditures. That trend is expected to carry into FY24. Increases in Training and Travel are to provide access for both Court employees to obtain certifications and provide more efficient court operations.

SHORT-TERM GOALS

- Increase compliance during warrant roundup
- Monitor future legislation affecting municipal court operations
- Continue review and update of forms, policies and procedures
- Encourage continued development and training of staff
- Increase convenience for the customer by allowing email and online requests

LONG-TERM GOALS

- Develop a court procedures manual
- Explore additional technology/software opportunities to increase productivity
- Implement new programs for juveniles

DEPARTMENT OUTLINE: HUMAN RESOURCES

The City of Kennedale's Human Resources Department provides guidance and assistance to all staff within each department. The vision is to provide exceptional human resources services for internal and external customers and improve the partnership, one employee professionally at a time.

The Human Resources Department anticipates a significant increase in Software costs due to digitization of personnel files. This process will eliminate the need for off-site storage, seen as a decrease in Special Services. Centralizing new-hire testing and background checks among all City departments caused an increase in the HR Related Tests account. There is a corresponding decrease in Special Services in the Fire and Police Departments.

SHORT-TERM GOALS

- Provide additional training and development programs to staff:
Active Shooter, Customer Service, Leadership Training
- Continue adding employee recognition events
- Implement paperless Human Resources Department
- Restructure and refine employee evaluation process and procedures
- Continue funding for employee tuition reimbursement program
- Provide employee activities such as end of year banquet, 5-year merit awards, and monthly recognition luncheon

LONG-TERM GOALS

- Create an orientation video for all new hires that provides an overview of Kennedale history, governance structure, and integrative work culture
- Maintain and update the City Policy Handbook
- Evaluate need for a comprehensive wellness program

DEPARTMENT OUTLINE: FINANCE

The City's Finance Department has three main objectives: provide timely and materially correct financial reports, safeguard the financial assets of the City, and ensure those who conduct business with the City are paid in a timely manner.

Maintaining a full compliment of staff throughout the year, along with the proposed raise from the City Manager, created an increase in anticipated personnel costs. Having a full staff will reduce Special Services expenditures, which cover the cost of consultants and other contract services. The increase in Software is primarily driven by moving the STW license from Office Equipment to this account.

SHORT-TERM GOALS

- Align document retention with the Texas State Records Retention Schedule
- Scan all documents after month close – eliminate the need for physical document storage
- Review and update all financial policies
- Automate monthly reporting

LONG-TERM GOALS

- Review and approvals for payments and journal entries to take place electronically
- Increase investment returns

DEPARTMENT OUTLINE: POLICE

The Kennedale Police Department believes in community-oriented policing focusing on building

TRUST, INTEGRITY, and PURPOSE

with the intent to positively enhance the quality of life for our citizens, business owners, and visitors. Partnerships with our stakeholders will shape the priorities of our police agency.

Included in this budget, within the Police Vehicles account, is the cost of one new Ford Explorer and related equipment. Other Equipment includes anticipated replacements costs for equipment that has an initial cost over \$5,000.

SHORT-TERM GOALS

- Continue sending command and supervisory staff to leadership training which includes ILEA, LEMIT-LCC, and FBI LEEDA
- Apply for grants for equipment and positions that enhance the department's ability to deliver varied and high-quality services
- Organize and prepare for upcoming re-recognition audit in February of 2024 to maintain Recognized status through the TPCA Foundation
- Create a five-year strategic plan for department to meet internal and external growth concerns
- Implement formal programs and community outreach partnerships through:
 - Faith and Blue - Building Bridges to More Inclusive Communities (faithandblue.org)
 - Public Safety Cadets (publicsafetycadets.org)
 - Shattered Dreams Program
 - Kennedale Citizens Police Academy
 - Coffee with a Cop
 - Police Officers Angels Foundation
- Enhance patrol tactics training to meet the evolving needs of our community
- Begin a formal Chaplain Program using area volunteer chaplains
- Hire an additional 2 new traffic/patrol officers to meet the demands of increasing traffic and calls for service within our community

LONG-TERM GOALS

- Host regional training through current agreement with North Texas Council of Governments Regional Police Academy
- Continue to develop a strategic plan for future personnel and equipment needs
- Continue to seek grants for building renovations and equipment
- Update and remodel the current police facility
- Continue to mentor and train police supervision to support the vision of the department and the city through modern police practices and procedures

DEPARTMENT OUTLINE: FIRE

The mission of our fire department is the protection of life and property of the citizens of Kennedale through public education, fire prevention code enforcement, and the response of highly-trained professional emergency response personnel.

The reduction between the FY23 and FY24 operations budgets resulted from a change in treatment of Grant Funded Supplies. Those expenditures will be tracked in a separate Fund starting in FY24.

SHORT-TERM GOALS

- Recruitment and Retention
- Continue the implementation of our capital replacement plan.
- Facility addition and remodel. *(Includes fire station, Administration offices, and a training room/Emergency Operations Center)*
- Continue updating all Standard Operating Policies and Procedures
- Establish an annual Citizens Fire Academy. *(This program is designed for people who have a genuine desire to learn about the daily life of firefighters)*
- Public safety education, EMS and fire
- Evaluate staffing needs for the future
- Establish the comprehensive fire prevention program that ensures all businesses are compliant with current codes and also provides enforcement for our citizens' safety.
- Evaluate EMS subscription service
- Deliver EMS safety tips to the community

LONG-TERM GOALS

- Recruitment and Retention
- Continuous evaluation for the cost of our EMS system and adjust our fees accordingly
- Continuation of the capital replacement plan
- Facility evaluation. Call volume and response times will dictate the future needs of the city
- Ongoing fire prevention programs that ensures all businesses are compliant with current codes and also provides enforcement for citizens' safety
- Evaluate staffing needs for the future

DEPARTMENT OUTLINE: COMMUNITY DEVELOPMENT

The mission of Community Development is to facilitate the vision our community leaders have set for growth and redevelopment, advance building safety where possible, and strengthen neighborhoods through the proactive administration of our adopted codes. Our approach is anchored by three principles:

Promoting a *Steward-Leadership* culture

Providing exceptional customer service

Pursuing excellence through continuous improvement

SHORT-TERM GOALS

- Continue updating the City's Comprehensive Plan, Future Land Use Plan, and Unified Development Code
- Establish an incentive-based pay plan using *competency-mapping*
- Encourage and promote property stewardship to improve neighborhoods and commercial corridors
- Obtain advanced industry certifications by all members of the department

LONG-TERM GOALS

- Build in succession planning for department staff
- Retain Kennedale's hometown character while encouraging new business and development
- Visibly and tangibly fulfill strategic goals outlined in the upcoming Comprehensive Plan
- Position Kennedale as a leader in developing the built environment with a focus on sustainability and economic growth.

DEPARTMENT OUTLINE: LIBRARY

The Kennedale Public Library serves as a thriving community center that provides access to information and resources to educate, empower, enrich, and welcome our community. The Library connects the community with library services for personal enjoyment, growth, and enrichment through diverse resources in multiple and accessible formats, innovative programs and technology that increase knowledge, awareness, and quality of life for all members of the community, support for local educational programs and self-directed, lifelong learning opportunities, community gathering spaces, and the preservation of local history.

Anticipated improvements to the Library include new carpet, a new projector for the Community Room, and paint for the Library and Community Room. Those expenditures can be located with Building Maintenance.

SHORT-TERM GOALS

- Continue to build community partnerships and relationships
- Increase awareness of services through effective marketing and community engagement
- Increase staff training for program development and delivery
- Continue to apply for funding opportunities
- Install new carpet in the Library space to match the Community Room
- Paint Library and Community Room
- Develop community programs with the Historical Society with a local history collection
- Install a projector and sound system in the Community Room for programs, classes, and City meetings
- Complete a collection inventory and update collection

LONG-TERM GOALS

- Be the resource and information center for the City of Kennedale.
- Increase staffing for additional programs and services.
- Begin looking at future space needs and options for growth.
- Provide superior customer service to all library users.
- Be the first choice for information needs.
- Anticipate and meet changing community needs.
- Guarantee equitable access to Library resources and services.
- Be a strong, engaged, and effective partner in the community.

Debt Service Fund

OVERVIEW: DEBT SERVICE FUND

The Debt Service Fund pays for Debt that is secured by ad valorem (property) taxes. Property taxes account for over 99% of the Debt Service Fund revenues, with the remainder coming from investment income.

As of the preparation of this budget, the Debt Service Fund had amassed approximately \$674k in unassigned fund balance, primarily due to property tax revenues being more than what was needed to pay debt service requirements in prior years. This budget increases the Interest and Sinking portion of Ad Valorem taxes by \$.06 per \$100 valuation, primarily to cover debt issued in September 2023 for upcoming sewer and street projects.

EXPENSES AND BOND RATING

All expenses from the Debt Service are related payments of principal and interest on debt and related agent fees.

The City of Kennedale's AA- bond rating was affirmed by S&P Global Ratings on August 8 2023.

DEBT SERVICE REQUIREMENTS

The City has bond expenditures in three funds – 02 Debt Service, 10 Water/Sewer, and 15 EDC. The below chart depicts all bond payments for all 3 funds. On the next page, the \$1,669,317 has been programed into the total expenditure budget for Fund 02 Debt Service Fund. The \$295,311.95 for Fund 10 and \$325,995.78 for EDC Fund 15, are shown later in the book with the expenditures for those funds. Of note, \$821,865 of debt service in Fund 02 will be repaid from Fund 10 in future years.

Utility Funds

OVERVIEW: STORMWATER FUND

The Stormwater Utility Fund is an Enterprise Fund with the responsibility for providing stormwater management to approximately 3,217 residential, commercial and industrial customers. It serves approximately 8,463 residents in Kennedale. Stormwater management is a vital issue affecting Kennedale's future with millions of dollars of identified projects needed to address life safety issues, flooding and infrastructure damage. This funding was established to prevent flooding, preserve streams, minimize water pollution and to operate the stormwater system in a more effective manner to fully comply with state and federal regulatory requirements. This will be accomplished by improving infrastructure reconstruction and system maintenance, master planning, enhanced development review and increased public education and outreach.

SHORT-TERM GOALS

- Initial funding from the Texas Water Development Board, TWDB, was finalized and once additional funding is approved by the Federal Emergency Management Administration, FEMA, initiate a construction contract for the Valley Lane Channel improvements
- Collett Sublett Road drainage improvements
- Continue open drainage maintenance with Tarrant County's Inter-Local Agreements
- Continue spraying of drainage channels to effectively control unwanted vegetation

LONG-TERM GOALS

- Systematically improve infrastructure reconstruction and system maintenance, master planning, enhanced development review, and increased public education and outreach.
- Focus on reducing runoff and improving water quality through maintaining natural hydrologic cycles, site grading, vegetation, soils and natural processes that absorb and filter stormwater onsite

OVERVIEW: WATER/SANITY SEWER FUND

The City of Kennedale continues to receive the majority of its water from the City of Arlington; however, a small amount is purchased from the City of Fort Worth and blended with groundwater. The collection system is channeled to the Trinity River Authority via the City of Arlington.

The City is in the 5th year of a contract with the City of Arlington for operations and maintenance of the Kennedale water and sewer system and utility billing services. The primary source of revenue for the Water/Sewer fund is charges for services, which accounts for 91% of all revenue.

SHORT-TERM GOALS

- Implement the sanitary sewer interceptor improvement project, which involves upgrading approximately 10,000 LF of sewer pipelines along the northwest sector of the city, from North Road to Gilman Road
- Invest in the rehabilitation of the groundwater tank, T₄, at 751 Caruthers Ln. (High School) and the elevated tank, T₃, at 500 Gail Dr. to maintain water distribution sustainability, fire flow and pressure
- Meet the October 16, 2024 deadline for the Lead and Copper Rule Revision (LCRR) service line inventory
- Be compliant with America's Water Infrastructure Act of 2018, Emergency Preparedness Plan (EPP), SB3

LONG-TERM GOALS

- Upgrade all undersized water and sewer piping to an 8" diameter minimum
- Loop all dead-end mains, as deemed necessary
- Upsize the existing 6" sewer line, in the Hillside Addition, to a 12"

OVERVIEW: WATER IMPACT FEE AND SEWER IMPACT FEE FUNDS

Each of these funds, Water Impact (61) and Sewer Impact (62), receive revenue from fees associated with new development. Expenditures are tied to projects within the scope of each fund and can be used to pay related debt through a transfer to the appropriate fund, typically the Water/Sewer Fund (10).

Capital Project Funds

OVERVIEW: CAPITAL PROJECTS FUND

The Capital Projects Fund (04) receives revenues from the City's waste collection contractor, Waste Connections, based on their overall landfill revenue. Funds are transferred to Debt Service (02) to pay for debt requirements related to improvements to Dick Price Road, the road that leads to the landfill.

OVERVIEW: CAPITAL BOND FUND

The Capital Bond Fund (13) receives proceeds from bonds and records the project expense associated with the bond proceeds. Projects in this fund are independent from those recorded in the Water/Sewer Fund (10). In August 2023, Certificates of Obligation were issued for projects related to water/sewer improvements and street improvements. From that, \$2.4 million has been allocated to this Fund related to upcoming street repairs. Expenses related to bond issuance and administration are included in the Debt Service Fund.

OVERVIEW: ROADWAY IMPACT FEE FUND

Similar to other impact fee funds, the Roadway Impact Fee Fund (45) is funded primarily with new development fees and used to fund related projects. For FY24, transfers to cover a portion of Certificates of Obligation issued in 2007 (Fund 10) and TIRZ projects (Fund 21) are scheduled to continue in the same amounts as FY23.

OVERVIEW: TIF #1 NEW HOPE ROAD FUND

Tax Increment Financing (TIF), authorized by Texas Tax Code Chapter 311, states local governments can publicly finance needed structural improvements and enhanced infrastructure within a defined area – a **Tax Increment Reinvestment Zone (TIRZ)** – to encourage desired development. The tax increment is derived from the difference in appraised value between the year in which the reinvestment zone is established (base year) and each year the reinvestment zone is in existence.

An important element of the City's strategic plan - Imagine Kennedale 2015 - was to convert properties in the southwestern portion of the City to residential use. The City updated the Comprehensive Land Use Plan and created a Tax Increment Reinvestment Zone (TIRZ) to fund off-site infrastructure improvements, namely the extension of water and sewer service, reconstruction of New Hope Road, and the addition of hike and bike trails along Kennedale Branch. TIRZ participation agreements with Tarrant County, Tarrant County College District, and the Tarrant County Health District were completed in 2013. The City has not yet seen significant development in the TIRZ but continues cooperating with owners and prospective developers to convert the racetrack properties. A water and sewer study to plan for the extension of the utility services is complete.

OVERVIEW: HOTEL OCCUPANCY TAX FUND

Revenue for this Fund (30) comes primary from taxes related to overnight stays within the City. This is calculated as 7% of gross rents and remitted directly to the City each quarter. Presently, this tax comes exclusively from short-term rentals. A small portion of revenue (budgeted at 9% for FY24) comes from a proportionate amount of investment income. Per the State Comptroller, revenue may only be used to promote tourism and the convention and hotel industries.

OVERVIEW: PUBLIC SEIZURE FUND

Outside of the proportionate share of investment interest, revenue for the Public Seizure Fund (31) comes from property seizures related to law enforcement activity. Expenditures are confined to law enforcement uses. For FY24 minor tool purchases are budgeted to use the remaining balance of the fund.

OVERVIEW: LEOSE FUND

The State Comptroller of Public Accounts collects and deposits proceeds from court costs into the Law Enforcement Officer Standards and Education (LEOSE) account of the state treasury, which is then distributed to local law enforcement agencies. Local agencies must use the funds to provide continuing education or necessary training for law enforcement officers. Under the Texas Occupations Code, twenty percent of the appropriated amount is distributed to all participating agencies in equal shares, and eighty percent is distributed based on the number of qualifying officers at each entity.

OVERVIEW: CAPITAL REPLACEMENT FUND

The Capital Replacement Fund (05) receives transfers from other funds that utilize vehicles. The fund pays for vehicles through a lease with Enterprise Lease. In December 2016, a lease was signed with Enterprise for a majority of its vehicles. In 2020, the City determined that the lease was not in the best interest and has been working on an exit strategy for the lease that includes purchasing vehicles and allowing vehicles under the lease to continue to be utilized at a small cost per month (\$30-\$50) until full expiration of the lease. Under the terms of the lease, the vehicles remain the property of Enterprise and cannot be purchased by the City.

OVERVIEW: STREET IMPROVEMENT FUND

The Street Improvement Fund sustains and optimizes the structural life of the City's roadways in the most effective manner, provides preventive maintenance to existing concrete and asphalt streets, and develops capital projects for major street construction. Additionally, the Street Improvement Fund provides quality parks, open spaces, and trails to enhance the quality of life for residents.

Kennedale leverages resources by working with TxDOT and Tarrant County. Street rehabilitation is performed by Tarrant County Precinct 2 under an Inter-Local Agreement, wherein the city pays for the materials and the county provides the labor and equipment. Also, if funding is available, and if we qualify, the North Central Texas Council of Governments (NCTCOG) provides grants for sidewalks and crosswalks via the Safe Routes to Schools program; e.g. Crestdale neighborhood, which we anticipate going into construction in early 2024.

Little School Road was included in a voter-approved Tarrant County Transportation bond package. This extension will not only provide access for future development but increase connectivity and traffic movement and strengthen emergency response by providing an above-grade railroad crossing to allow access to the western portion of the City and portions of the extraterritorial jurisdiction (ETJ).

Included in this budget are two new full-time positions and an additional \$127,000 in Street Maintenance.

SHORT-TERM GOALS

- Continue partnership for professional services to include interlocal agreements with Tarrant County Precinct 2 for asphalt street rehabilitation, pavement markings and drainage ditch improvements
- Complete the “Safe Route to School” Project, Crestwood Neighborhood, by mid-2024
- Continue to conduct right-of-way, water, sanitary sewer and stormwater inspections
- Invest in an annual concrete pavement panel replacement contract
- Invest in a pavement asset management system, to assess and improve our pavement network system condition
- Install “Story Walk” along Sonora Park
- Obtain a commercial grade, heavy duty gas powered 96” cut mower
- Add at least one additional public works technician member to our current staff

LONG-TERM GOALS

- Develop strategies and solicit grant funding for reconstruction of deteriorating streets, to include water, sewer and stormwater upgrades
- Develop a linear park system to include bike and hike trails
- Invest in a Boom Mower
- Implement the extension of Little School Road, a 50% cost-sharing with Tarrant County, as a 4-lane divided roadway between New Hope Road and E. Kennedale Parkway/Bus287

OVERVIEW: JUVENILE CASE MANAGER FUND

Revenue for the Juvenile Case Manager Fund (18) comes from a \$5 fee assessed to defendants convicted of a “fine only misdemeanor offense” as a cost of court. Expenditures may only finance the salary and benefits of a juvenile case manager that is employed by the Municipal Court of the City of Kennedale. At present, funds resulting from the \$5 fee are placed into the General Fund (01) as a reimbursement for the wages and benefits of the City’s Juvenile Case Manager.

OVERVIEW: GRANTS FUND

New for FY24, the Grants Fund (40) will house funding and track expenditures for grants awarded to the City. As most grants function as cost reimbursable agreements (funding isn't received until an expenditure has taken place and proper documentation has been provided to the granting agency), this fund is expected to have a \$0 balance over time. Previously, grant revenues and expenditures were tracked in the General Fund (01).

EDC Funds

OVERVIEW: ECONOMIC DEVELOPMENT CORPORATION

A component unit of the City of Kennedale, the Economic Development Corporation (EDC) is primarily funded by a .50% sales tax levied on items sold in the City of Kennedale. Revenue also comes in the form of rent paid by tenants of the TownCenter, the proportionate share of investment income, and other fees related to operating the TownCenter. For FY24, the EDC has budgeted \$150,000 in grants for entrepreneurs looking to establish, or further grow, their business in Kennedale.

Notice About 2023 Tax Rates

Property Tax Rates in the City of Kennedale

This notice concerns the 2023 property tax rates for the City of Kennedale.

This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

Taxing units preferring to list the rates can expand this section to include an explanation of how these tax rates were calculated.

This year's no-new-revenue tax rate \$0.610045/\$100

This year's voter-approval tax rate \$0.728693/\$100

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate adjusted to remove the unused increment rate for the prior three years.³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020;⁴⁰
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴¹ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴²

Individual components can be negative, but the overall rate would be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴³

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit. ⁴⁴

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year. ⁴⁶

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year. ⁴⁷

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
