Notwithstanding the foregoing, or anything else contained in this Deed of Trust to the contrary, it is agreed that upon the occurrence or existence of any event defined as constituting an Event of Default in the Loan Agreement, Lender will deliver written notice thereof ("Notice of Default") to Fee Owner, and Fee Owner shall have the option (but shall not be obligated) to cure such default or give notice to Lender of Fee Owner's intent to purchase the Loan within **THIRTY (30)** days following the delivery of the Notice of Default before such event shall constitute an "Event of Default" under this Deed of Trust. If Fee Owner gives Lender timely notice of its intent to purchase the Loan, Fee Owner shall have **SIXTY (60)** days from the date of the Notice of Default within which to purchase the

Loan, without recourse and without warranty, by paying to Lender the full amount outstanding in connection with the Loan in cash.

ARTICLE VIII DEFAULT AND REMEDIES

8.01 ACCELERATION AND WAIVER OF NOTICES. Upon the occurrence of an Event of Default, Lender, at Lender's option, may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law or provided herein. Fee Owner acknowledges that the power of sale granted to Lender may be exercised by Lender without prior judicial hearing. Fee Owner and each Guarantor (by the execution and delivery of Guarantor's guaranty), surety, and endorser of all or any part of the Indebtedness expressly waive all presentations for payment, notices of intention to accelerate maturity, notices of acceleration of maturity, notices of intention to demand payment, demands for payment, protests, and notices of protest.

8.02 NOTICE OF SALE. Notice of sale of all or part of the Property by the Trustee shall be given by posting written notice thereof at the courthouse door (or other area in the courthouse as may be designated for such public notices) of the county in which the sale is to be made, and by filing a copy of the notice in the office of the county clerk of the county in which the sale is to be made, at least **TWENTY-ONE (21)** days preceding the date of the sale, and if the Property to be sold is in more than one county a notice shall be posted at the courthouse door (or other area in the courthouse as may be designated for such public notices) and filed with the county clerk of each county in which the Property to be sold is situated or as otherwise required by the Texas Property Code. If the Property to be sold is in more than one county, the notice shall designate the county in which the Property is to be sold. In addition, Lender shall, at least **TWENTY-ONE (21)** days preceding the date of sale, serve written notice of the proposed sale by certified mail on Fee Owner and each person obligated to pay the Indebtedness secured hereby according to the Lender's records. Service of such notice shall be completed upon deposit of the notice, enclosed in a postpaid wrapper, properly addressed to such person at the most recent address as shown by the records of Lender, in a post office or official depository under the care and custody of the United States postal service. The affidavit of any person having knowledge of the facts to the effect that such service was completed shall be *prima facie* evidence of the fact of service. Any notice that is required or permitted to be given to Fee Owner may be addressed to Fee Owner at Fee Owner's address as stated above. Any notice that is to be given by certified mail to any other person may, if no address for such other person is shown by records of Lender, be addressed to such other person at the address of Fee Owner as is shown by the records of Lender. Notwithstanding the foregoing provisions of this Section notice of such sale given in accordance with the requirements of the applicable laws of the State of Texas in effect at the time of such sale shall constitute sufficient notice of such sale. The Trustee or his successor or substitute may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by Trustee, including the posting of notices and the conduct of sale, but in the name and on behalf of Trustee, his successor or substitute Trustee thereafter appointed may complete the sale and the conveyance of the Property pursuant thereto as if such notice had been given by the successor or substitute Trustee conducting the sale.

8.03 TRUSTEE'S SALE. Lender may require the Trustee to sell all or part of the Property, at public auction, to the highest bidder, for cash, at the county courthouse of the county in Texas in which the Property or any part thereof is situated, or if the Property is located in more than one county such sale or sales may be made at the courthouse in any county in which the Property is situated. All sales shall take place at such area of the courthouse as shall be properly designated from time to time by the commissioners court (or, if not so designated by the commissioners court, as such other area in the courthouse as may be provided in the notice of sale hereinafter described) of the specified county, between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m. (the commencement of such sale to occur within three hours following the time designated in the above described notice of sale as the earliest time at which such sale shall occur, if required by applicable law) on the first Tuesday of any month, after giving notice of the time, place and terms of said sale (including the earliest time at which such sale shall occur) and of the Property to be sold in the manner hereinafter described. To the extent permitted by applicable law, any sale may be adjourned by announcement at the time and place appointed for such sale without further notice except as may be required by law. Trustee may sell all or any portion of the Property, together or in lots or parcels. In no event shall Trustee be required to exhibit, present or display at any such sale any of the Personal Property to be sold at such sale, Lender may bid and become the purchaser of all or any part of the Property at any trustee's or foreclosure sale hereunder, and the amount of Lender's successful bid may be credited on the

Indebtedness. In the event any sale hereunder is not completed or is defective in the opinion of Lender, such sale shall not exhaust the power of sale hereunder, and Lender shall have the right to cause a subsequent sale or sales to be made hereunder.

8.04 PARTIAL SALES. The sale by Trustee of less than the whole of the Property shall not exhaust the power of sale herein granted, and Trustee is specifically empowered to make successive sales under such power until the whole of the Property shall be sold; and if the proceeds of such sale of less than the whole of the Property shall be less than the aggregate of the Indebtedness and the expenses thereof, this Deed of Trust and the lien, security interest and assignment hereof shall remain in full force and effect as to the unsold portion of the Property just as though no sale had been made; provided, however, that Fee Owner shall never have any right to require the sale of less than the whole of the Property, but Lender shall have the right, at its sole election, to request Trustee to sell less than the whole of the Property. If there is a default on the payment of any installment on the Note or any portion of the Indebtedness, and Lender elects not to accelerate the unpaid balance of the Note or Indebtedness, Lender shall have the option to proceed with foreclosure in satisfaction of such unpaid installment or other amount either through judicial proceedings or by directing Trustee to proceed as if under a full foreclosure, conducting the sale as herein provided without declaring the entire Indebtedness due. It is agreed that such sale, if so made, shall not in any manner affect the unmatured part of the Indebtedness, but as to such unmatured part this Deed of Trust shall remain in full force and effect as though no sale had been made under the provisions of this Section. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness.

8.05 FORECLOSURE OF ALL PROPERTY. The Land, Improvements, and Personal Property may be sold in one or more public sales pursuant to the Texas Property Code and the UCC. To the extent Fee Owner is in possession or control of any Personal Property, Fee Owner shall assemble the Personal Property and make it available to Lender upon Lender's written request. Fee Owner and all persons obligated to pay the Indebtedness agree that notice of sale of the Property provided pursuant to Section 8.02 above and pursuant to the Texas Property Code is and shall constitute commercially reasonable notice of the sale of the Property or any part of the Property. Lender shall also be entitled to foreclose its security interests against the Personal Property in accordance with any other rights and remedies Lender may have as a secured party under the UCC.

8.06 TRUSTEE'S DEED. Trustee shall deliver to the purchaser a Trustee's deed and such other assignments and documents of transfer and sale as Trustee may deem necessary conveying the Property so sold in fee simple with covenants of general warranty. At any such sale (a) Fee Owner hereby agrees, in its behalf and in behalf of Fee Owner's heirs, executors, administrators, successors, personal representatives and assigns, that any and all recitals made in any deed of conveyance given by Trustee with respect to the identity of Lender, the occurrence or existence of any default, the acceleration of the maturity of any of the Indebtedness, the request to sell, the notice of sale, the giving of notice to all persons legally entitled thereto, the time, the place, terms and manner of sale, and receipt, distribution and application of the money realized therefrom, or the due and proper appointment of a substitute Trustee, and, without being limited by the foregoing, with respect to any other act or thing having been duly done by Lender or by Trustee hereunder, shall be taken by all courts of law and equity as *prima facie* evidence that the statements or recitals state facts and are without further question to be so accepted, and Fee Owner hereby ratifies and confirms every act that Trustee or any substitute Trustee hereunder may lawfully do in the premises by virtue hereof, and (b) the purchaser may disaffirm any easement granted, subdivision plat filed, or rental, lease or other contract made in violation of any provision or this Deed of Trust, and may take immediate possession of the Property free from, and despite the terms of, such grant of easement, subdivision plat, or rental, lease or other contract.

8.07 PROCEEDS OF SALE. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including but not limited to, reasonable Trustee's fees and attorneys' fees and costs of title evidence; (b) to all sums secured by this Deed of Trust in such order as Lender, in Lender's sole discretion, directs; and (c) the excess, if any, to the person or persons legally entitled thereto.

8.08 POSSESSION AFTER SALE. Fee Owner or any person holding possession of the Property through Fee Owner shall immediately surrender possession of the Property to the purchaser at such sale upon the purchaser's written demand. If possession is not surrendered upon the purchaser's written demand, Fee Owner or such person shall be a tenant at sufferance and may be removed by writ of possession or by an action for forcible entry and detainer.

8.09 [intentionally omitted].

8.10 SUBSTITUTE TRUSTEE. Lender, at Lender's option, with or without cause, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Deed of Trust is recorded. Without conveyance of the Property, the successor trustee shall succeed to all title, power, and duties conferred upon the Trustee by this Deed of Trust and by applicable law.

8.11 REMEDIES CUMULATIVE. Each remedy provided in this Deed of Trust is distinct and cumulative to all other rights or remedies under this Deed of Trust or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

8.12 FORBEARANCE BY LENDER NOT A WAIVER. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this Deed of Trust after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the Indebtedness, nor shall Lender's receipts of any awards, proceeds or damages under this Deed of Trust operate to cure or waive Fee Owner's default in payment of sums secured by this Deed of Trust.

8.13 [intentionally omitted].

8.14 WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Fee Owner, any party who consents to this Deed of Trust, and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice of this Deed of Trust and Lender's rights and interests under this Deed of Trust, hereby waive any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided by this Deed of Trust.

ARTICLE IX [INTENTIONALLY OMITTED]

ARTICLE X MISCELLANEOUS PROVISIONS

10.01 RELEASE. In accordance with the terms of Section 2.01(c) of this Deed of Trust, the fact of repayment of all Indebtedness and performance of all other obligations of Fee Owner to Lender shall not terminate the lien arising hereunder unless (i) all of Lender's obligations and commitments under the Loan Documents have terminated, (ii) Fee Owner requests in writing that Lender release such lien, and (iii) Fee Owner pays Lender's reasonable costs incurred in releasing this Deed of Trust. Otherwise, this Deed of Trust shall remain in full force and effect.

10.02 FEE OWNER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Fee Owner, Fee Owner's successors or assigns or any junior lienholder or Guarantor, without liability on Lender's part and notwithstanding the existence of an Event of Default, extend the time for payment of the Indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of the Indebtedness, accept a renewal note or notes therefor, modify the terms and time of payment of the Indebtedness, release from the liens of this Deed of Trust any part of the Property, take or release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in any extension or subordination agreement, and agree in writing with Fee Owner to modify the rate of interest or period of amortization of the Note or change the amount of the installments payable thereunder. Any actions taken by Lender pursuant to the terms of this Section shall not affect the obligation of Fee Owner or Fee Owner's successors or assigns to pay the sums secured by this Deed of Trust and to observe the

covenants of Fee Owner contained herein, shall not affect the guaranty of any person, corporation, partnership, or other entity for payment of the Indebtedness or any part thereof, and shall not affect the liens or priority of liens of this Deed of Trust on the Property. Fee Owner shall pay Lender a reasonable charge, together with such title insurance premiums and attorneys' fees as may be incurred at Lender's option, for any such action if taken at Fee Owner's request.

10.03 POWER OF ATTORNEY. Fee Owner hereby irrevocably appoints Lender as Fee Owner's attorney-in-fact, such power of attorney being coupled with an interest, with full authority in the place and stead of Fee Owner and in the name of Fee Owner or otherwise, from time to time following the occurrence and during the continuation of an Event of Default in Lender's reasonable discretion, to take any action and to execute any instrument which Lender may deem necessary or appropriate to enforce the rights of Lender with respect to the Property.

10.04 NOTICE. All notices or other communications required or permitted to be given pursuant to this Deed of Trust shall be in writing and shall be considered as properly given if (i) mailed by first class United States mail, postage prepaid, registered or certified with return receipt requested, (ii) by delivering same in person to the intended addressee, or (iii) by delivery to an independent third party commercial delivery service for same day or next day delivery and providing for evidence of receipt at the office of the intended addressee. Notice so mailed shall be effective upon its deposit with the United States Postal Service or any successor thereto; notice sent by such a commercial delivery service shall be effective upon delivery to such commercial delivery service; notice given by personal delivery shall be effective only if and when received by the addressee; and notice given by other means shall be effective only if and when received at the office or designated place or machine of the intended addressee. For purposes of notice, the addresses of the parties shall be as set forth herein; provided, however, that either party shall have the right to change its address for notice hereunder to any other location within the continental United States by the giving notice to the other party in the manner set forth herein.

10.05 SUCCESSORS AND ASSIGNS BOUND. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Fee Owner.

10.06 JOINT AND SEVERAL LIABILITY. All covenants and agreements of Fee Owner (if more than one) shall be joint and several.

10.07 AGENTS. In exercising any rights hereunder or taking any actions provided for herein, Lender may act through its employees, agents or independent contractors as authorized by Lender.

10.08 GOVERNING LAW. THIS DEED OF TRUST SHALL BE GOVERNED BY THE APPLICABLE LAWS OF THE STATE OF TEXAS AND THE LAWS OF THE UNITED STATES OF AMERICA APPLICABLE TO TRANSACTIONS IN THE STATE OF TEXAS.

10.09 SEVERABILITY. In the event that any provision of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provisions, and to this end the provisions of this Deed of Trust and the Note are declared to be severable.

10.10 USURY DISCLAIMER. The term "Maximum Lawful Rate" means the maximum rate of interest and the term Maximum Lawful Amount means the maximum amount of interest that is permissible under applicable state or federal law for the type of loan evidenced by the Note and the other Loan Documents. Lender does not intend to contract for, charge or receive more than the Maximum Lawful Rate or Maximum Lawful Amount permitted by applicable state or federal law, and to prevent such an occurrence Lender and Fee Owner agree that all amounts of interest, whenever contracted for, charged or received by Lender, with respect to the loan of money evidenced by the Note or with respect to any other amount payable under this Deed of Trust or any of the other Loan Documents, shall be spread, prorated or allocated over the full period of time the Note is unpaid, including the period of any renewal or extension of the Note. If demand for payment of the Note is made by Lender prior to the full stated term, the total amount of interest contracted for, charged or received to the time of such demand shall be spread, prorated or allocated along with any interest thereafter accruing over the full period of time that the Note thereafter remains unpaid for the purpose of determining if such Interest exceeds the Maximum Lawful Amount. At

maturity (including maturity due to Lender's acceleration of the Note) or on earlier final payment of the Note, Lender shall compute the total amount of interest that has been contracted for, charged or received by Lender or payable by Fee Owner under the Note and compare such amount to the Maximum Lawful Amount that could have been contracted for, charged or received by Lender. If such computation reflects that the total amount of interest that has been contracted for, charged or received by Lender or payable by Fee Owner exceeds the Maximum Lawful Amount, then Lender shall apply such excess to the reduction of the principal balance and not to the payment of interest; or if such excess interest exceeds the unpaid principal balance, such excess shall be refunded to Fee Owner. This provision concerning the crediting or refund or excess Interest shall control and take precedence over other agreements between Fee Owner and Lender so that under no circumstances shall the total interest contracted for, charged or received by Lender exceed the Maximum Lawful Amount.

10.11 PARTIAL INVALIDITY. In the event any portion of the sums intended to be secured by this Deed of Trust cannot be lawfully secured hereby, payments in reduction of such sums shall be applied first to those portions not secured hereby.

10.12 CAPTIONS. The captions and headings of the Articles and Sections of this Deed of Trust are for convenience only and are not to be used to interpret or define the terms and provisions of this Deed of Trust.

10.13 DEFINITIONS. Capitalized terms not otherwise defined in this Deed of Trust shall have the meanings attributed to such terms in the Loan Agreement.

LENDER AND FEE OWNER AGREE THAT THEY WILL NOT ASSERT ANY CLAIM AGAINST THE OTHER OR ANY OTHER PERSON INDEMNIFIED UNDER THIS DEED OF TRUST ON ANY THEORY OF LIABILITY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES.
